Don't Use Your Words! Jane Juffer,2019-05-28 How children are taught to control their feelings and how they resist this emotional management through cultural production Today even young kids talk to each other across social media by referencing memes songs and movements constructing a common vernacular that resists parental educational and media imperatives to name their feelings and thus control their bodies Over the past two decades children's television programming has provided a therapeutic site for the processing of emotions such as anger but in doing so has enforced normative structures of feeling that Jane Juffer argues weaken the intensity and range of children's affective experiences Don't Use Your Words seeks to challenge those norms highlighting the ways that kids express their feelings through cultural productions including drawings fan art memes YouTube videos dance moves and conversations while gaming online Focusing on kids between ages five and nine Don't Use Your Words situates these productions in specific contexts including immigration policy referenced in drawings by Central American children just released from detention centers and electoral politics as contested in kids artwork expressing their anger at Trump's victory Taking issue with the mainstream tendency to speak on behalf of children Juffer argues that kids have the agency to answer for themselves what does it feel like to be a kid

Parkour iMinds, 2014-05-14 Learn about the sport of Parkour with iMinds insightful knowledge series. If there was only one way to describe parkour, it would be to call it a sport. Parkour involves the task of overcoming obstacles, both physical and mental. But not everybody is in agreement with what parkour is truly about. What we do know is that parkour originated in France, where it is sometimes referred to as l'art du déplacement, meaning the art of displacement. The basic principle of parkour is to use only the human body to move from point A to point B in the most efficient, direct and fluid way possible. iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.
