Gradecki, Jim Cole, 2003-10-07 A comprehensive tutorial on how to use the power of Velocity 1.3 to build Web sites and generate content Designed to work hand in hand with Apache Turbine Struts and servlets Velocity is a powerful template language that greatly enhances the developer's ability to customize Web sites It separates Java code from the Web pages making a site more maintainable Because of this it is a viable alternative to JSPs and PHP and is expected to become the standard template engine In addition to its use with Struts and Turbine

Velocity can also be used to generate Java and XML source code XML schemas HTML templates and SQL code. Even with all its promise finding expert instructions on how to properly program with this language has been difficult. This code intensive tutorial gives you all the tools you'll need. It begins by quickly bringing you up to speed on all of the Velocity fundamentals and the Velocity Template Language. You'll then learn how to apply Velocity in a variety of areas with the help of richly detailed code examples. Additionally, you'll be taken through the steps of building a complete application in order to see how you can utilize all of the techniques and technologies discussed in the book. Covering the latest features of Velocity 1.3, *Mastering Apache Velocity* shows you how to build Java based Web sites with Struts, servlets, Turbine and other open source tools. Generate a wide variety of Web content and code including Java, XML, SQL and Postgres.

*Dynamic Web Forms* Dan Ransom, 2002. This title uses a hands on approach to show precisely how to use DHTML with server side scripting and HTML form elements to create functional, interactive and dynamic Web interfaces.

**Organizational Behaviour** Daniel King, Scott Lawley, 2022. Have you ever wondered what motivates some people to work for free? What the future of work will look like in a post-pandemic world? Why organizational values and culture are so critical to success? The authors explore the answers to these questions and more in this bestselling introduction to organizational behaviour. Featuring the flagship Junction Hotel running case study, this text is the most practical, critical and complete guide to the subject. The authors have extensively revised this fourth edition to make it more relevant than ever before. A new chapter on equality, diversity and inclusion plus cutting edge material on wellbeing in the workplace, the climate crisis, ethics in leadership and much more reflect the importance of these issues to people and organizations today. Hear first hand from twelve key professionals as they explain in bespoke video interviews woven throughout the enhanced e-book. Why leadership, teamwork and responsible business practice are crucial in the workplace. For the fourth edition, a greater global range of examples is provided through the real life cases including new examples from Brewdog, Muji and COP26, all of which help you make the connection between theory and practice. This book is accompanied by the following online resources: For students: Practitioner interviews, Author videos, Self test, MCQs with answer feedback, Study skills guides, Guided readings of key research, Extension material, Links to additional resources, Flashcard glossary. For lecturers: Seminar activities including tutor notes and student worksheets, PowerPoint presentations, Test bank, Additional case studies, Junction Hotel Culture Report Figures from the text.
