Organization for Migration**

## **Migration Remittances And Development In South Asia:**

South Asian Migration Zaara Zain Hussain,Md Mizanur Rahman,2015-09-04 International migration is a dynamic global phenomenon that has been drawing increasing attention from both scholars and policymakers over the last few decades It is particularly relevant to South Asia since the region is a vast source of sojourner migrant labour as well as home to permanent immigrant and diaspora communities The chapters brought together in this volume provide insights into the study of international migration diaspora engagement and remittances in South Asia In particular they analyse the implications of this phenomenon in relation to development and shed light on migration and diaspora led development in two sections firstly Remittance Induced Development and secondly Diaspora Induced Development The geographic focus of the volume is the global South Asian emigrant population who live outside the region This volume demonstrates that international migration remittances and development offer an exciting field of academic study as well as a vibrant area of policy study Its multi disciplinary dimensions enlarge its scope and applicability across several domains As such this volume offers an important contribution to the growing field of international migration in both the academic and policy spheres

### **Migration,**

**Remittances and Development in South Asia** Saman Kelegama,2011-08-08 Through a nuanced look at the role of remittances in bringing about development the book takes cognizance of the fact that remittances alone are unlikely to lift people out of poverty rather it is their interplay with other economic social and cultural factors which determine the scale and type of impact remittances can have on poverty reduction The book also examines how migration should be brought into the mainstream of development planning where development must be understood as a dynamic process implying growth advancement empowerment and progress with the goal of enlarging the scope of human choices and creating an environment where citizens can live with dignity and equality

### **Migration, Remittances and Development in Southern**

**Africa** Wade C. Pendleton,2006 Includes statistical tables

### Migrant Remittances in South Asia

M. Rahman,T. Yong,A. Ullah,2014-11-25 This volume provides theoretical treatments of remittance on how its development potential is translated into reality The authors meticulously delve into diverse mechanisms through which migrant communities remit investigating how recipients engage in the development process in South Asia

*GULF MIGRATION, REMITTANCES, AND IMPACT ON RURAL HOUSEHOLDS IN TELANGANA* Dr. N. Ganesh Naik,2024-12-03 Human migration is one of the most important aspects of social sciences Throughout human history people have migrated to escape poverty and persecution and to improve their life chances and living standards Migration or more exactly mobility of some form is a universal experience and it is

rare for anyone to spend his or her entire life within the boundaries of a single village or city ward and when this does occur it is more likely to be due to some physical or mental handicap than to choice Ronald 1997 On the whole different parts of the world have experienced different types of mobility caused by various socio economic conditions Since a better life and livelihood are at the root of the decision to migrate WHO 2006 As per World Bank statistics around 3 4 per cent of the world

populations are living out of their countries of birth constituting more than 247 million migrant population World Bank 2016

**Migration, Remittances, and Sustainable Development in Africa** Maty Konte,Linguère Mously Mbaye,2020-11-26

This book provides a strong multidisciplinary examination of the links between migration remittances and sustainable development in Africa It makes evidence based policy recommendations on migration to help achieve the Sustainable Development Goals The key themes examined are migration and remittances and their relations with the following issues economic transformation education and knowledge corruption and conflict Cross cutting issues such as gender equality and youth are weaved throughout the chapters and a rich range of country contexts are presented The volume also discusses challenges in managing migration flows It will be of interest to advanced students academics and policy makers in development economics and sustainable development

Migration, Remittances and Development

Organisation for Economic Co-operation and Development,2005 This publication presents the current situation with regard to the magnitude of migrants remittances to their countries of origin In 2004 remittances exceeded official development aid in several emigration countries they totalled USD 126 billion according to IMF estimates Can remittances stimulate productive investments in the countries of origin Can they spur economic and social development The impact of remittances on the economic development of sending countries is examined The book surveys the channels used to collect these funds the role of banking systems and other financial institutions and the introduction of new technologies and their impact on fund collection how the funds are transferred and how to reduce the costs Focus is also placed on the different ways in which migrants themselves participate together with non governmental organisations host countries and sending countries to open up new avenues for policies on development aid and co development The direct role that migrants can play at the local level is highlighted Several countries and regions are illustrated Southern European countries Mexico Turkey North African and sub Saharan African countries the Philippines and some Latin American countries

Migrants' Remittances and Development

Bimal Ghosh,International Organization for Migration,2006 Highlights the ways in which the development potential of remittances could be most effectively used while avoiding the possible risks In doing so it seeks to help promote a more balanced approach to the issue of remittances and development which as indicated above is now high on the global economic agenda
