*Weekly World News*, 2004-08-30 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site. **Business Week**, 2005 **The Boyfriend Contract** Victoria James, 2019-09-23 Emily Birmingham has had it up to here with men. It was hard enough growing up with an overbearing father but then he dies and leaves everything to her brother. Everything Emily's worked her whole life to build. Now she's jobless living in her grandmother's dilapidated house in the middle of Nowhere Canada and dealing with the most annoyingly sexy contractor on the planet. Exactly when did her life become the nightmarish opposite of a Hallmark movie? Cooper Merrick learned the hard way that love is never worth the risk. He's happy running the family contracting business alongside his well meaning but overly opinionated brothers. Happy enough until polished and perfect Emily enters his world. Nothing prepared him for the ways she turns his life upside down and sees the parts of himself he's closed off from the world. Now Cooper's finally found the nerve to ask her out. Only Emily has some requirements before she even considers going out on a date like a contract with some very specific ground rules. Signing on the dotted line sounds simple enough but every contract has its fine print.

**Brandweek**, 2005-10 **Organic Mentoring** Sue Edwards, Barbara Neumann, 2014-06-01 We are experiencing a mentoring crisis today. One key reason is that too many women cling to an outdated formulaic idea of what mentoring is all about. When we hear the word mentoring we conjure up a picture that fit our experience decades ago. Then we look in the mirror and don't see an adequate mentor staring back at us. Our preconceived ideas about what today's young women want in a mentor convince us we are not qualified to be mentors but we are wrong. What we don't realize is that younger women today are far more likely to want a relationship with that woman in the mirror than the conjured up perfect mentor in our head. **Organic Mentoring** explores foundational issues that explain why beloved but outdated mentoring methods are no longer effective. The book looks at the cultural changes and fast paced digital advancements that shape young thought and behavior but weaken the link between generations. It walks through the new values, preferences, ideas and problems of the next generation and how these issues impact mentoring. Then the authors guide the reader through landmines to avoid and approaches that work today. **Weekend Wonder Detox** Michelle Schoffro Cook, 2014-04-29 Leave lethargy behind, shed excess weight and get clear, glowing skin.
