Early Literacy Instruction and Intervention Donna M. Scanlon, Kimberly L. Anderson, Erica M. Barnes, Joan M. Sweeney, 2024-03-29 This established text and teacher resource is now in a revised and updated third edition with a broader focus on whole class instruction as well as small group and individualized intervention. The evidence based Interactive Strategies Approach ISA provides a clear framework for supporting literacy development in grades K-3 particularly for students who experience reading difficulties. The book gives teachers the knowledge needed to more effectively use existing curricular materials to meet core instructional goals in the areas of phonemic awareness, phonics, word solving, word learning, vocabulary and language skills and comprehension. Twenty six reproducible forms can be copied from the book or downloaded and printed from the companion website. Of special value the website also features approximately 200 pages of additional printable assessment tools and instructional resources. Prior edition title: Early Intervention for Reading Difficulties. Key Words: Subject Area: reading, teaching materials, beginning readers, elementary methods, resources for teachers, textbooks, struggling, difficulties, problems, primary grades, English language learners, emergent bilinguals, phonics, decoding, lessons, word learning. Audience: Teachers of children ages 5-8, grades K-3, literacy coaches, school administrators, teacher educators, and graduate students.

The eCoaching Continuum for Educators Marcia Rock, 2019-09-23 In this book eCoaching pioneer Marcia Rock draws on best practice research and decades of experience to offer a blueprint for professional development that maximizes teacher and student growth. The eCoaching Continuum for Educators provides teachers, administrators, and other school professionals a step by step guide to the four connected, coordinated components of technology enabled professional development: 1. studying theory and practice to build knowledge of specific content and pedagogy; 2. observing theory and practice to aid in the transfer of new knowledge to classroom practice; 3. one on one coaching to give teachers the feedback they need to improve classroom practice; and 4. group coaching to build capacity for identifying and solving problems of professional practice. Rock offers a practical approach for putting professional development where it can do the most good in the classroom. You'll learn Why technology is so well suited for authentic job embedded professional development, How to cultivate a culture in which the eCoaching continuum can have the greatest impact, Which technologies are the most useful for carrying out eCoaching in a variety of settings, How to capture and evaluate the impact of eCoaching on teachers and students. The eCoaching Continuum for Educators integrates best practice in coaching for professional development with a detailed account of how teachers and other school professionals can use today's technologies to improve their practice and ensure their students are fully engaged and learning.

Cognitive Enhancement Fabrice Jotterand, Veljko Dubljević, 2016 Discussions on cognitive neuroenhancement for healthy adults tend to focus on theoretical positions while concrete policy proposals and detailed models are scarce. Furthermore, discussions generally rely solely on data from the US or UK while international perspectives are mostly non-existent. This volume fills the
