Powerful and disturbing No one who cares about the future of our public life can afford to ignore this book Jackson Lears A powerful sequel to Benjamin R Barber s best selling Jihad vs McWorld Consumed offers a vivid portrait of a global economy that overproduces goods and targets children as consumers in a market where there are never enough shoppers and where the primary goal is no longer to manufacture goods but needs Disturbing provocative and compelling this book examines phenomena as seemingly disparate as adolescent fashion trends for adults megachurches declining voter participation the privatization of the public sphere branding and the rise of online shopping to show how the freedoms of the free market have undermined the freedoms of the deliberative adult citizen Barber brings together extensive empirical research with an original theoretical framework for understanding our contemporary predicament

Con\$umed Benjamin R. Barber,2007 An examination of the effects of capitalism on American culture and society reveals how consumer capitalism overproduces goods targets children as consumers and replaces public goods with private commodities
