## **Mediterranean Harvest Vegetarian Recipes From The Worlds Healthiest Cuisine:**

**Mediterranean Harvest** Martha Rose Shulman, 2010-06-08 Intensely flavorful and inherently healthy Mediterranean food is one of the world's most appealing cuisines. Mediterranean cooks know how to make eating a pleasure. They do it simply with olive oil and garlic, with herbs and spices, with tomatoes and eggplants, peppers and squash, figs and peaches, and other seasonal produce. And of course there is crusty bread and local cheese, the freshest yogurt and endless wine. In this authoritative and anecdotal cookbook, award-winning author Martha Rose Shulman captures the vibrant flavors of the Mediterranean region in more than 500 delicious vegetarian dishes that will appeal to everyone. The book represents years of meticulous research gleaned from Shulman's travels through France, Spain, Italy, the Balkans, Greece, Turkey, North Africa, and the Middle East. She presents authentic contemporary variations as well. You'll dine with her in Greek olive groves, feast on recipes handed down from mother to daughter for generations, and she offers her own tomatoes and fresh sardines in Croatia, savor coffee gelato in the streets of Bologna. At every turn in the road there is a new culinary reward. Whether you are a vegetarian or a dedicated meat eater, Shulman's recipes are substantial enough to satisfy any appetite. Included are such tempting creations as Majorcan Bread and Vegetable Soup, Provencal Chick Pea Salad, Pasta with Ligurian Artichoke Sauce, Greek Cauliflower Gratin with Feta and Olives, Balkan Style Moussaka, North African Carrot Compote, and Sweet Dessert Couscous with Citrus and Pomegranate. There is also an entire chapter devoted to the renowned little foods of the Mediterranean: tapas from Spain, antipasti and merende from Italy, meze from the eastern and southern Mediterranean, and more. In addition, the book features a glossary of useful cookware and indispensable pantry staples, and the best online sources for hard-to-find ingredients. As Martha Rose Shulman herself says, "Mediterranean food entrails me." Readers of *Mediterranean Harvest* will be enthralled as well.

*Mediterranean Harvest* Martha Rose Shulman, 2007-10-30 Presents more than five hundred vegetarian recipes for Mediterranean dishes from tabbouleh and gnocchi to stuffed artichokes and honey-roasted figs, and includes information about common spices and ingredients of Mediterranean cuisine.

**Digestion** E. Melanie DuPuis, 2015-12-01 Throughout American history, ingestion-eating has functioned as a metaphor for interpreting and imagining this society and its political systems. Discussions of American freedom itself are pervaded with ingestive metaphors of choice: what to put in and control, what to keep out. From the country's founders to the abolitionists to the social activists of today, those seeking to form and reform American society have cast their social change goals in ingestive terms of choice and control. But they have realized their metaphors in concrete terms as well, purveying specific advice to the public about what to eat or not. These conversations about social change as eating reflect American ideals of freedom, purity, and virtue. Drawing on social and political history as well as the history of science and popular culture, *Dangerous Digestion* examines how American ideas about dietary reform mirror broader thinking about social reform. Inspired by new scientific studies of the human body as a metabiome, a collaboration of species rather than an isolated, intact

protected and bounded individual E Melanie DuPuis invokes a new metaphor digestion to reimagine the American body politic opening social transformations to ideas of mixing fermentation and collaboration In doing so the author explores how social activists can rethink politics as inclusive processes that involve the inherently risky mixing of cultures standpoints and ideas
