## **Meeting St Matthew Today Understanding The Man His Mission And His Message:**

**Meeting St. Matthew Today** Daniel J. Harrington, 2010-10-01 In Meeting St Matthew Today preeminent biblical scholar Daniel J Harrington SJ helps laypeople understand the riches of Matthew's Gospel This quick moving yet insightful book provides a thoughtful and non threatening introduction to the Evangelist and his message Special attention is given to a narrative analysis of Matthew's Gospel including key concepts and themes that develop as the story unfolds The closing chapter of the book includes three brief lessons based on lectionary readings of St Matthew **Divine Wrath and**

**Salvation in Matthew** Anders Runesson, 2016-10-01 Judgment and the wrath of God are prominent themes in Matthew's Gospel Because judgment is announced not only on the hypocritical but also on those who reject God's messengers and because this rejection is implicitly connected with the destruction of Jerusalem the Gospel has often been read in terms of God's rejection of Israel with catastrophic results Anders Runesson sets out to show through careful study of Matthew's composition and comparison with contemporary Jewish literature that the theme of divine judgment plays very different and distinct roles regarding diverse groups of Jews including Jesus disciples and non Jews in this Gospel Runesson examines various assumptions regarding the criteria of judgment in each case and finds that Matthew does not support some of the most popular slogans in Christian theology The results and implications for our historical understanding of Christian origins and our theological estimation of Matthew's place in that story will be of vital interest to scholars and students for years to come **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone

of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **How to Read the Gospels** Yung Suk Kim, 2024-05-29 This accessible introduction to the Gospels examines the

distinctive messages offered by the texts giving students a better understanding of methods and interpretations It explores a close reading of each Gospel and encourages students to approach texts from their own perspectives from postcolonialism to

environmentalism The discussion questions included will help students focus their reflections on the gospel narrative its theology and methods of reading it How to Read the Gospels is an ideal textbook for undergraduate and seminary classrooms The book aims to reach seminary and graduate students who study the Gospels critically and comprehensively It provides user friendly summaries such as the basics of each Gospel authorship history important parables etc the Jesus of each Gospel and notable interpretation and translation issues Without reading the entire story readers often focus on only specific passages This book aims to foster close reading of each entire text sensitizing students to historical and literary issues that commonly arise and helping them better understand various ways to interpret these formative stories What makes this book unique is that it also engages various readings of the Gospels from traditional to deconstruction approaches including womanist interpretation disability interpretation ecological interpretation and many more For example how can readers understand the story of Jesus surprising conversation with the Samaritan woman in John 4 through the lens of feminism Or postcolonial criticism By providing alternative ways to think about these stories and various methods of approaching texts that may be new to the student the book opens up how such passages can be interpreted and appreciated
