important for Adolf Hitler until he finally reached his goal of Chancellorship. However, when the first book of two volumes could not help him much in gaining ground in German politics, he wrote his next book that was never published. Later in his last years, when the war was about to end, Adolf Hitler ordered his comrades to put the original manuscript in a locker under a shelter for Air Strikes. This book was an extension of NAZI viewpoints, ideas, and propaganda. Hitler used his energy to further improve the NAZI ideology and engineer new components and enhance the former ones. *Mein Kampf* Adolf Hitler, 2016-01-26. THIS BOOK prepared as in included Two volumes in ONE BOOK Contains Vol I II and Unabridged Translation by James Murphy. And This translation of the unexpurgated edition of MEIN KAMPF was first published on March 21st 1939. AUTHOR ADOLF HITLER sought Lebensraum living space for the German people. His aggressive foreign policy is considered to be the primary cause of the outbreak of World War II in Europe. He directed large scale rearmament and on 1 September 1939 invaded Poland, resulting in British and French declarations of war on Germany. In June 1941, Hitler ordered an invasion of the Soviet Union. By the end of 1941, German forces and the European Axis powers occupied most of Europe and North Africa. Failure to defeat the Soviets and the entry of the United States into the war forced Germany onto the defensive and it suffered a series of escalating defeats. In the final days of the war, during the Battle of Berlin in 1945, Hitler married his long time lover Eva Braun. On 30 April 1945, less than two days later, the two committed suicide to avoid capture by the Red Army and their corpses were burned. Under Hitler's leadership and racially motivated ideology, the Nazi regime was responsible for the genocide of at least 5.5 million Jews and millions of other victims whom he and his followers deemed Untermenschen, sub humans and socially undesirable. Hitler and the Nazi regime were also responsible for the killing of an estimated 19.3 million civilians and prisoners of war. In addition, 29 million soldiers and civilians died as a result of military action in the European Theatre of World War II. The number of civilians killed during the Second World War was unprecedented in warfare and constitutes the deadliest conflict in human history. MEIN KAMPF not only says about the German People and livings in 1920-30s but also provides an explanation for the military conquests later attempted by Hitler and the Germans. Hitler states that since the Aryans are the master race, they are entitled simply by that fact to acquire more land for themselves. This Lebensraum or living space will be acquired by force, Hitler says, and includes the lands to the east of Germany, namely Russia. That land would be used to cultivate food and to provide room for the expanding Aryan population at the expense of the Slavic peoples who were to be removed, eliminated, or enslaved, or may be.
