Platform Ambitions of Brands Ole Gardewin,2024-11-07 The platform economy is gaining increasing importance Digital platforms can be found in more and more areas of consumers daily lives One area particularly affected by this is online shopping which is becoming increasingly popular Large online retailers have achieved monopolistic positions and the majority of online shopping takes place on their marketplaces This presents significant challenges for manufacturer brands Recently some of them have started operating their own platforms to counteract the risks within the platform economy the so called Brand Flagship Platforms This book not only presents the development of the first empirical measurement scale for assessing the benefit dimensions of these Brand Flagship Platforms but also takes it a step further by analyzing the behavioral impact of these platforms on consumers attachment to the respective brands and ultimately on their purchasing behavior This serves both researchers and practitioners in assessing the impact of digital platforms on their own brand

Competitiveness of New Industries Cornelia Storz,Andreas Moerke,2014-04-08 This book the result of an international research project comprises a comprehensive comparison of three key countries Adopting an institutional approach with top level contributors it analyzes political factors in conjunction with entrepreneurial ones

## **Creative Brand Naming**

**Strategies** Purnima Embranthiri,2025-02-20 What makes a brand successful It s a complex question with many answers but one factor stands out clarity Successful brands share a clear message and a distinct point of difference In the intricate world of business and marketing where economic factors and human judgments create a fog clarity becomes crucial A brand must have a consistent and easily identifiable message even if it diversifies its products Branding is the language of business and despite the challenging decisions behind it a brand should always speak clearly to the market Consumers make quick decisions often in seconds unlike brand managers To win them over communication must be crystal clear Branding is akin to writing as William Wordsworth said Every great and original writer must himself create the taste by which he is to be relished This book explores the principles and practices of creating clear impactful brand names that resonate with consumers ensuring that your brand stands out in a saturated market
