Marooned in Aggieland: A Bumbling Brit Discovers College Football, Guns N' Waffles Josh Perry, 2015-02-03

Four weeks after the London Olympics a bored jaded and remarkably unsuccessful sports comedy writer sat down to watch college football for the first time Little did he know in twelve months he would trek across the pond and live through a heavy chunk of 2013 season The destination An American state that is five times the size of his homeland During this heart warming expedition into Aggieland s spirited maroon seas he humorously embraces the infamous traditions pageantry and stark cultural differences that encompass Texas A M University and college football Throw in 450 pints of beer gun wielding Houston gang members and a polarizing Heisman Trophy winner and you re still barely scratching the surface of a clueless Brit s truly unique story
