Kandi was my street name. Where I got Kandi land from was from the places and people I endured and encountered in this book. This book speaks to all walks of life not just my life. I'm going to walk you through what I endured from the age of 2 months to 31 years old. My autobiography gives you insight on what I was going through when I first started writing my autobiography while in Denver county serving a 365 day sentence. It gives the reader some more insight on the whole process I went through writing my book. I wrote it by hand first. I wanted to keep you the reader interested by sharing bible scriptures encouraging words actual dates situations as well as pictures. I wanted a very well painted visual. This book talks about overcoming and surviving abuse physically emotionally and eternally. How a little girl went from being innocent and sweet and well brought up to a woman that had to walk down the streets of Colfax at night with no direction guidance love support feelings of manipulation used and abused. Feelings so deep of being trapped and belittled everywhere I turned not knowing if I was going to live or die and basically surviving just to live. This all happens within a blink of an eye. This is a teach all tell all help one another type book. This book is inspired to uplift encourage and send prayers to my family the reader and myself. I wanted the reader and my audience to be able to evaluate what they are enduring in their lives and take a step back read a page of my book and get insight and hopefully change their perspective of things that they are going through. I also wrote this to teach my children sister and other family members that you can

succeed no matter what you go through especially when you stay focus and determined and even if you do lose sight that s ok just get back up dust yourself off and try it again look how many times I had to go through it This way you know that it is always someone that has it way worse than you so just keep your head up and stay strong This book lets you know the ins and outs of myself as a writer without sugar coding or hiding anything It s raw and uncut Best of all it s the real me **PC**
