Mister Magic Kiersten White, 2023-08-01 Who is Mister Magic Former child stars reunite to uncover the tragedy that ended their show and discover the secret of its enigmatic host in this dark supernatural thriller from the No 1 New York Times bestselling author of Hide Thirty years after a tragic accident shut down production of the classic children's program Mister Magic the five surviving cast members have done their best to move on But just as generations of cultishly devoted fans still cling to the lessons they learned from the show the cast known as the Circle of Friends have spent their lives searching for the happiness they felt while they were on it The friendship The feeling of belonging And the protection of Mister Magic But with no surviving video of the show no evidence of who directed or produced it and no records of who or what the beloved host actually was memories are all the former circle of friends have Then a twist of fate brings the castmates back together at the remote desert filming compound that feels like it's been waiting for them all this time Even though they haven't seen each other for years they somehow understand one another better than anyone has since After all they're the only ones who hold the secret of that circle the mystery of the magic man in his infinitely black cape and maybe the answers to what really happened on that deadly last day But as the Circle of Friends reclaim parts of their past they begin to wonder Are they here by choice or have they been lured into a trap Because magic never forgets the taste of your friendship Š!
