**The Summer Switch-Off** Beth Reekles,2023-05-11 There s no better way to celebrate the start of beach season than with a brand new beach read and if anyone can give us the perfect book for it it s Beth Cosmopolitan com Luna Rory and Jodie are supposed to be having the time of their lives but instead Luna thought her first year at uni was perfect until her relationship ended and her old school friends seem to be ghosting her Rory s true passion is art and promoting it on her social media but she wants to fit in with her sensible family so she s signed up to study law It feels like the right thing to do though her heart is saying otherwise And as for Jodie she s put her all into getting top marks at uni but she can t remember the last time she s let her hair down and had some fun Her life is great on paper but she s exhausted and headed for burnout In desperate need of an escape the girls book themselves on a holiday that s meant to be perfect for solo travellers But the idyllic resort of Casa Dorada is actually a digital detox retreat which means NO PHONES And that s not even the biggest disaster waiting for them Will it be a summer the girls will never forget or one they d rather not remember A sweet funny relatable coming of age story from bestselling author Beth Reekles author of The Kissing Booth perfect for fans of Beth O Leary and Emily Henry
