

Colombo Music Festival

Have you ever thought about a world without music? For me, music is one of my leisure time activities, which I prefer to do than anything else. Due to our modern lifestyle, it is true that we could hardly find a time to spend freely. However, it is essential for our mental health. So, this is about the Colombo City Centre Music Festival, which took place on February 19th in 2022.

"Colombo Music Festival" is annually held in Negombo but this year Deputy Organizer has changed its venue, which has everyone taken by surprise. During the festival the famous singers Bathiya and Santhush performed as vocalists. Also, one of the classical septets "The Gypsies" performed songs from their recently released album.

Moreover, as an outdoor music festival it provides you outdoor facilities with camping alternatives. Talking about its management everyone could feel how well organized it was. So that you could enjoy the camping experience in a relaxed atmosphere. Everyone was chilled out by its fast-paced songs. This music festival also a good place to socialize.

In conclusion, I would like to recommend this music festival for everyone. As it's a best place to have a first-hand experience rather than watching it on internet. You could make new friends, relax your mind and enjoy the prevailing music atmosphere too. It is the largest music festival in Sri Lanka, which has over ten million rates.
