Personality Classic Theories And Modern Research:

Personality: Classic Theories and Modern Research Howard S. Friedman, Miriam W. Schustack, 2013-08-27 This successful text puts personality back into the personality course integrating the classic insights of the personality theorists with modern research in a manner that will fascinate and encourage deeper thought. This text explores classic theory from a perspective that encourages critical thinking and fosters intellectual insight with respect to human nature. For example it shows the relevance of classic theory to topics of personality and culture evolution, ego, gender and person situation interactionism. Employing the highest scientific standards, Personality also uses a wide range of unique and provocative pedagogical devices that have been shown to motivate students. Hailed as the best written most relevant personality textbook on the market, Friedman and Schustack's 5th Edition brings the field of personality to today's diverse student body. author of Extraordinary Groups How Ordinary Teams Achieve Amazing Results About the Book The most important business skill isn't a skill at all. It's your personality. And only when you develop a keen understanding of your personality style and the styles of the people you deal with will you reach your full potential as a business professional. Personality Style at Work reveals the proven personality style model used by HRDQ, a trusted developer of training materials giving you one of today's most valuable tools for leading others contributing to teams effectively communicating with coworkers and making better decisions. This groundbreaking guide helps you achieve positive results in virtually any workplace situation. Whether you're a high level manager, a salesperson, a customer service professional or an entry level employee, you'll learn why others behave as they do in specific situations and how to use that knowledge to turn every interpersonal encounter into a win-win scenario. The HRDQ model has been administered to more than one million people and it has generated remarkable results. It is based on four principal personality styles: Direct (High assertiveness, low expressiveness), Spirited (High assertiveness, high expressiveness), Considerate (Low assertiveness, high expressiveness), Systematic (Low assertiveness, low expressiveness). Which one describes you? Knowing the answer is the first step to achieving consistently positive and productive personal interactions, which is why Personality Style at Work includes an assessment that you can take to identify your style. Armed with this valuable self assessment, you can adapt your behavior to create more practical, harmonious working relationships. Personality Style at Work opens the door to a whole new way of interacting with others in a way that benefits you, your coworkers, your customers and your entire organization.
