Perspectives On Tithing Four Views:

Perspectives on Tithing David A. Croteau,2011-05 David A Croteau Ken Hemphill Bobby Eklund Reggie Kidd and Gary North debate the varying views on how Christians are to give of their financial resources addressing the myriad of questions surrounding the complex issue

Perspectives on Tithing David A. Croteau,2011-04-14 David A Croteau Ken Hemphill Bobby Eklund Reggie Kidd and Gary North debate the varying views on how Christians are to give of their financial resources addressing the myriad of questions surrounding the complex issue

The Legislative Themes of Centralization Jeffrey G. Audirsch,2014-08-12 The centralization of the cult mandate in Deuteronomy has captivated scholars for over two centuries Related to this mandate are five legislative themes abrogation of idolatry tithing the Israelite festival calendar judiciary officials and the priesthood Collectively these themes are interwoven into the Deuteronomic social political and religious infrastructure Interpreted through an exilic lens this study examines the themes through the relevant literary strata in the Enneateuch In doing so the themes are identified as playing an instrumental role in the demise of the divided monarchy It is through the demise of the divided monarchy that the book of Deuteronomy especially the centralization mandate takes on a new meaning a utopian desire Thus the rhetorical strategy of centralization once contrived to unify and purify the cult actually leads to failure and serves as motivation for reform during the exilic period

Tithing after the Cross David A. Croteau,2016-09-21 Some in the church find it very difficult to talk about money but it's a subject that cannot be avoided The church needs money to continue to function Missionaries need money to carry the gospel As a result however reluctant we are to talk about it we have to do so And when we do so we often generate more confusion and resentment than cash Some churches require that members be tithers before they can take positions of leadership This in turn can result in a sort of spying by one believer on another How much do we each earn Is our giving equal to 10% of our income On the other hand there are those who discount tithing and consider themselves tithers because they give two or three percent of their income They may say that they tithe 3% of their income But what exactly does the Bible teach about tithing and how does that apply to us today Is there a way for us to become grace filled givers Can stewardship giving and financing the work of building the kingdom become a joy rather than a duty or a source of dissension David Croteau has written at length on this topic before In this volume of the Areopagus Critical Christian Issues series he undertakes a brief examination of tithing stewardship and giving He starts by asking just what the Israelites were called on to give by the scriptures He then follows through the various arguments in favor of tithing as a law applicable to Christians and shows how these arguments fail Finally he discusses a basis for gracious joyful giving as God directs each of us In just 96 pages including all the front matter you'll find your understanding of Christian stewardship changed You won't find here a license for apathy or selfishness Instead you'll find a challenge to discover and do God's will in your finances as in every other area of your life

Budgeting for a Healthy Church Jamie Dunlop,2019-04-02 Many pastors conceive of the church budget as primarily a financial tool but in fact it is

primarily a pastoral tool A church s philosophy of ministry is locked into its budget and so the budget will either stifle or accelerate any attempts to move a congregation toward a biblical model of church health As such the church budget is a far more potent pastoral tool than many church leaders realize Budgeting for a Healthy Church examines each section of the budget in light of Biblical principles to show how a church budget can lock in healthy approaches to ministry Whereas most books on church budgeting are how books explaining how the budgeting process should work this is a what book helping church leaders determine the pastoral implications of what they choose to fund in their budgets

The Sin We Treat as a Virtue

B. Ward Powers,2013-04-17 This book is for all those of us who love the Lord Jesus because this whole topic is an issue that deeply concerns every one of us and it really matters Is there indeed a sin we treat as a virtue Could this possibly be true of us of me Yes there is a sin we are treating as a virtue This sin is greed sheer plain greed Coveting The comfortable respectable sin But the extremely dangerous and damaging sin It is condemned by the Tenth Commandment It is the sin Christ spoke against more often and more vehemently than any other he warned against it in the strongest possible terms Beware Take care Watch out It chokes the Word of God in your life he said It hinders a person entering the Kingdom of God and deprives them of eternal life That is how serious it is Paul said that greed is a form of idolatry and can destroy a person He found this sin sneaky tricky and insidious The risk to us from this sin is all the worse because it is so often not recognized as sin It is so all pervasive that we do not actually see its deceitful danger But statistics show it is insidiously at work in the church seriously affecting its work and witness in the world It is a trap and a snare that can so easily catch us quite unawares Breaking free of it is in fact one of the most difficult issues we face in our Christian lives Can anything be done about this Yes It is crucial that we become aware of what the Bible says about it and then think through how to live our lives in accordance with biblical teaching This book will point to all the relevant Scriptures Can you afford not to heed what they say They just might save you from spiritual disaster Don t treat this lightly Jesus didn t Paul didn t
