The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical

doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the *missio Dei* This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 *Lectio Divina* 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

Mission in Motion Jay Matenga, Malcolm Gold, 2016-08-25 Never before has the phenomenon of mission mobilization been so broadly researched In a vein similar to *Too Valuable To Lose* and *Worth Keeping* the World Evangelical Alliance Mission Commission commissioned a research team to investigate what motivates people into mission service from around the globe Mobilization practitioners recorded translated and transcribed hundreds of hours of interview dialogue that explored reasons for mission involvement from Eastern Europe Western Europe North and South America Oceania East Asia South Asia and East Africa The data was subsequently analyzed to draw out common themes and *Mission In Motion* presents the results of this research This book is the first definitive exploration of the recent history ministries and methods of mission mobilization The evangelical missions community is expending much energy and resource trying to raise up workers for the Lord's harvest but is it helping Are the means models methods and mechanisms being applied to this end effective What does influence people to greater involvement in mission whatever they understand mission to be Furthermore what hinders it In addressing these questions *Mission In Motion* allows the interviewed respondents to speak for themselves in an open and frank manner Some results confirm common beliefs but others may surprise you

Receptor-Oriented Communication for Hui Muslims in China Enoch Jinsik Kim, 2018-04-18 There are many books that highlight the need and importance of mission toward unreached people Unfortunately few of them deal with the importance of understanding the real life of unreached people and how to analyze them This book identifies conceptual issues for the development of receptor oriented communication strategies among young educated urban Hui YEUE Hui Muslims in China's northwestern cities in order to achieve culturally relevant churches in those areas It is written to help not only those who are interested in the unreached but also those who are interested in Muslim evangelism urban sociology biblical exegesis contextual church planting communication and mission strategy Enoch Jinsik Kim utilizes a new approach virtual community mission for planting offline churches that integrates the use of local church driven Internet community traditional media and offline task teams from a multi ethnic local church While the research focuses on the Chinese Muslim context the identification of the young urban and educated as a strategic group for mission can be applied in other Muslim and non Muslim contexts This research is useful to

cross cultural communicators church planters and all those interested in interpersonal relationships Equipping for Missions Daniel W. Bacon,1992 **The Short-term Missions Boom** Michael J. Anthony,1994 By the year 2000 nearly three fourths of all missions work will be done by short termers from teens to retirees Now in this guide to recruiting and planning Tony Campolo and 15 others show how to develop the congregation s vision involve Christians in a world missions organization and develop projects close to home **The Ongoing Role of Apostles in Missions** Don Dent,2019-02-15 Numerous trends are presently converging in ways that make this moment in mission history significant These include the growth of short term service the multiplication of mission organizations local churches sending missionaries without an agency and the internationalization of missions It is crucial in the midst of such change that we not lose connection with the New Testament model of the missionary apostles Apostles now commonly called missionaries are God s gift for the initial planting phase of the church among every people to the end of the age This unique church planting role is the forgotten foundation of the church Much of the ineffectiveness in missions is due to our attempts to build Christ s church on a different foundation This book will examine five critical questions from the perspective of biblical scholarship history and contemporary experience Why are missions minded Evangelicals reluctant to identify missionaries as apostles considering that the two words have the same root meaning How is apostolos used in the New Testament and specifically is it sometimes used as a designation for missionaries How should we conceptualize an ongoing role for missionary apostles that does not detract from the crucial unique role of the original Apostles What ministry pattern does the New Testament record from the lives of the early missionary apostles How should an awareness of missionary apostles guide our mission efforts today
