

H No homework

We shouldn't have homework. It takes away from family time. You have to do your homework instead of playing a family board game or playing catch. You can't go outside to play so you will get fat. If you bring it home you will rush through it so you can play video games. We should do our work at school because we have better equipment there. We should also do it at school because we can't ask our teacher questions when we do it at home. It's hard to concentrate when you could be outside playing on a sunny day. I hope you agree with me.
