Peter Stephen James And John Studies In Early Non Pauline Christianity:

Peter, Stephen, James, and John Frederick Fyvie Bruce, 1908 *Peter, Stephen, James, and John* Frederick Fyvie Bruce, 1980 Presents several non Pauline movements in the early church led by Peter Stephen James John **Peter, Stephen, James, and John** Frederick Fyvie Bruce, 1980 A Pinch of Incense : A.D. 70 to 250, from the Fall of Jerusalem to the Decian Persecution Christian History Project, 2002 A history of Christianity from the fall of Jerusalem in 70 A D to the Decian persecution of 250 A D *Paul of Tarsus: Apostle to the Gentiles* , The Christians: Veil is torn, A.D. 30 to 70, from Pentecost to the fall of Jerusalem Christian History Project, 2002 The Christians is the history of Christianity told chronologically epoch by epoch century by century beginning at Pentecost and concluding with Christians as we find ourselves in the twenty first century It will consist of approximately twelve volumes produced over a 10 year period at the beginning of the third Christian millennium It is written and edited by Christians for Christians of all denominations Its purpose is to tell the story of the Christian family so that we may be knowledgeable of our origins may well know and wisely profit from the experiences of our past both good and bad and may find strength and inspiration to face the challenges of our era from the magnificent examples set for us by those who went before Back cover Partnership in Ministry Paul H. Byun, 2023-05-16 What type of relationship did New Testament churches have with one another Was it a relationship of conflict and competition Or was it a loose aggregation of individual churches scattered across the Roman Empire Or can it be described as a cohesive partnership for the common cause of the gospel of Christ Most New Testament church activities are recorded in connection with Paul s ministry In this sense the present study started on the premise that close attention to Paul s partnership ministry would offer a richer understanding of New Testament church relationships By exploring some ministry areas such as Paul s coworkers financial assistance and communicative activities this book demonstrates that Paul s churches occasioned and mediated by Paul s partnership ministry were engaged in networking and collaboration far more closely than has generally been assumed not only among themselves but also with non Pauline churches Paul s partnership ministry significantly contributed to the relationship of New Testament churches **Hebrews, the General Letters, and Revelation** Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and

to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion

John Murray J. Harris, 2015-10-15 *The Exegetical Guide to the Greek New Testament EGGNT* closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text

The Rise of Normative Christianity Arland J. Hultgren, 1994 The influences wrought by the ancient documents discovered at Nag Hammadi have given rise to the notion that various Gnostic interpretations are mere alternatives to more traditional interpretations of Jesus and His significance Hultgren contends that such a tradition originated at the beginnings of Christianity and came to dominate as the most adequate expression of Jesus legacy

The Evolution of a Revolution Jeffrey L. Seif, 1994-07-27 Ancient Christianity began as a movement within Judaism as the years passed however it ended up as a non Jewish and even anti Jewish institution outside Judaism In *The Evolution of a Revolution* the author explores aspects of the twilight zone that existed between first century Messianic Judaism and fourth century Roman Christianity History students studying Christian origins will benefit from Seif's research as will those interested in modern Jewish Christian dialogue
