Rouge Audrey Dormoy, Jacob et Wilhelm Grimm, 2021-11-02 La version des frères Grimm du Petit Chaperon Rouge L histoire traditionnelle illustrée traditionnellement à l'aquarelle **Le petit chaperon rouge** Charles Perrault, Wilhelm Grimm, Jacob Grimm, 2002 Deux versions celle de Perrault et celle des Frères Grimm **Little Red Riding Hood** Elisabetta Nannini, 2013-05-30 Little Red Riding Hood is one of the best known fairy tales of all time The most famous versions are by Charles Perrault and the Grimm Brothers here included Little Red Riding Hood is a cautionary tale warning little girls of the perils of disobedience but the older story is a complex one of female initiation to sexual maturity The editor E Nannini claims Never until now had I considered editing and publishing a classic fairy tale This was perhaps due to the fact that children's literature is very crowded with many different editions of the same story The approach I have taken is original I have included in the first part of my book the two most famous versions of Little Red Riding Hood The first version by Charles Perrault pessimistic in spirit is the one where the little girl dies eaten by the big bad wolf The second version by the Grimm Brothers more optimistic and didactical is the one where the grandmother and the child are saved from death due to the intervention of a good hunter who kills the wolf On a following second occasion they are saved by their acquired wisdom In the second part I have inserted detailed information on the tale's history and allegorical symbolic interpretations The idea behind my project is that a horrific fairy tale like Little Red Riding Hood should first be read and interpreted by parents and teachers and then be heard by children The origins of the Little Red Riding Hood story can be traced to versions from various European countries and more than likely preceding the 17th century of which several exist some significantly different from the currently known Grimms inspired version The earliest known printed version was known as Le Petit Chaperon Rouge and may have had its origins in 17th century French folklore It was included in the collection Tales and Stories of the Past with Morals Tales of Mother Goose Histoires et contes du temps passé avec des moralités Contes de ma mère l'Oye was published by Charles Perrault in 1697 The Brothers Grimm revised the story and it reached a new finale 1857 This is a better known version notably tamer than the older stories which contained darker themes **Little Red Riding Hood and Other Tales** Jacob Grimm, 2017-09-25 Little Red Riding Hood a French fairy tale about a young girl and a big bad wolf and thirty three other European tales are featured in this volume of Grimm's tales Little Red Riding Hood story follows a mean wolf that wants to eat the little girl but is afraid to do so in public He secretly stalks her behind trees bushes and patches of tall grass He approaches Little Red Riding Hood and she naively tells him where she is going **Le petit Chaperon Rouge** Jacob Grimm, Wilhelm Grimm, Lisbeth Zwerger, 1983 Le Petit Chaperon rouge suivi de Hansel et Gretel Jacob Grimm, Wilhelm Grimm, 2013-01-28 Deux contes merveilleux et minemment clairs interprétés par la plume des frères Grimm Le petit chaperon rouge suivi de Hansel et Gretel comme des contes qui nous accompagnent depuis notre jeunesse et qui permettent d'enchanter de faire rêver réfléchir et même donner les forces pour changer le monde Edition entièrement illustrée avec des dessins de Henry Altamus Walter Crane Format professionnel électronique Ink Book edition Little Red Riding Hood, 2002
