**Humorous Verse** Sabrina P. Ramet, 2014-11-28 The dramatic history of Russia proves fertile ground for laughter in this volume of humorous verse by the author of *Pets of the Great Dictators* Sabrina P Ramet is a serious academic with a seriously funny side She has made major contributions to European history with her scholarly work on the former Yugoslavia But her most unique contribution may be the well informed and wackily executed poems in this volume No Russian is safe from Sabrina s hammer and sickle wit Even the most fearsome and formidable Lenin Stalin Peter the Great and many others are shown to be buffoons in this collection of satirical poems as dry as a straight shot of vodka *The Sovietization of Eastern Europe* Balzs Apor, Péter Apor, Rees E. A., 2008-04-21 This essay anthology offers enlightening perspectives on how East Central Europe was transformed into the other Europe during the Cold War era When the Second World War ended a new conflict arose between world powers jockeying for supremacy The Soviet Union pursued a policy of exporting its system of government in a process known as sovietization But there were also governments that sought to adopt a Soviet way of life on their own accord Dictated by ideological imperatives both styles of sovietization employed socialist strategies of state and nation building This volume not only examines the imposition of new forms of government but also the socialist response to modernity as reflected in approaches to new technology and management consumption and leisure patterns religious and educational policy political rituals and attitudes to the past The essays explore the diversity and the tensions within the sovietization process in the countries of the region This collection is a bold and timely attempt at shedding light on a rather insufficiently researched topic the diverse approaches ranging from socio cultural and economic history to psycho history Dr Dragos Petrescu University of Bucharest [Siberian Secrets](#) G.
