[Mission Possible: Positive Canine Coaching and Enrichment Through Scentwork](#) Sally Gutteridge,2018-11-18 This work contains books 1 2 of The Mission Possible Solutions Series Mission Possible Solutions are a series of guides designed to make positive canine coaching accessible and understandable Each book covers a single topic with natural progression through ten carefully created missions Whilst small Mission Possible books pack a punch as they are

concise professionally created and provide a huge amount of value to readers and their dogs. Most of all Mission Possible guides are fun positive, build great dog skills and each one gives carefully presented step by step professional guidance to learn specific skills for exceptional results.

Book One Are you wondering how you can teach your dog new and helpful behaviours? Perhaps you want to empower your friend and use positive methods for excellent results. Maybe you're confused by all the different dog training methods out there and don't know where to start. Welcome to the world of Canine Coaching teaching great skills through excellent choices. You will learn The skills behind dynamic and effective canine coaching. How your dog learns. The neuroscience of excellent learning. Why pressure can prevent learning. The most recent scientific awareness of your dog's mind. How to best motivate your dog. To teach your dog to focus on you. How to use a marker for positive reinforcement. How to teach your dog excellent new skills. How to read your dog's body language accurately. How to recognise when your dog is confused. How to generalise your dog's good choices. The ability to teach your dog ten excellent and useful choices step by step. And much more.

Book Two Are you walking your dog for miles in the hope you can use up his energy but he's just getting busier? Perhaps you throw a ball for hours at a time but your dog just wants more and more. Maybe your dog is so full of energy lacks focus and is hard to handle. There is an answer and it might not be the one you expect. Life enrichment through less physical exercise and more mental stimulation can turn your dog's behaviour around. Sniffing, scentwork and brain games will settle your dog and meet his psychological needs. It's great fun too. Written by a former military search dog trainer this book will show you how to teach search and scentwork to settle your energetic and aroused dog making all your lives easier. You will learn Why your dog gets aroused and is so busy. Why choice is so important for your dog. Why more walks may be counter productive to relaxation for your dog. How to teach your dog to truly relax. Why mental stimulation is so important. How to introduce and use a marker to teach your dog new skills. How to teach your dog to touch and retrieve any item on cue. How your dog's nose works and what scent actually is. The nature of canine enrichment and why we use it. How to provide easy and free life enrichment for your dog. How to teach your dog to use his nose in easy steps. How to teach your dog to recognise a specific scent. Easy steps to take your dog from scent recognition to carrying out a full area search. And much more.
