**Practical Strategies and Case Studies for Online Marketing 6.0** Wongmahesak, Kittisak, Karim, Fazida Binti, Wongchestha, Nititorn, 2025-05-08 In today's digital landscape staying ahead in online marketing demands more than just keeping up with trends. Marketers must master the new era of online marketing. Online marketing 6.0 represents a new era of marketing innovation by using AI personalization and new immersive experiences that redefine how brands connect with consumers. Through proven strategies and compelling case studies, industry leaders are leveraging the latest tools and platforms to drive growth, build loyalty, and create memorable digital experiences that resonate in a saturated market. **Practical Strategies and Case Studies for Online Marketing 6.0** is a comprehensive collection of real-world examples showcasing the innovation in online marketing 6.0. It explores the evolving world of digital marketing, moving beyond the traditional tools into a more technology-based approach. This book not only shows the successful case studies but also the challenges faced in online marketing, highlighting the lessons learned and the adaptability required in this rapidly changing environment. This book covers topics such as AI, metaverse, and ethical and sustainable marketing practices and is a useful resource for marketing managers, digital marketing specialists, entrepreneurs, business owners, and marketing students.

**MOVE** Tim Lewko, 2025-11-21 Developed by Tim Lewko, a 25-year strategy veteran, **MOVE** shows leaders how to embed artificial intelligence (AI) directly into the strategy process and validate strategic bets, pressure test assumptions, and adapt faster than the competition while maintaining control over final decisions. Traditional strategy frameworks cannot keep up with trade wars, supply chain disruptions, and shifting consumer behaviour, and leaders can no longer afford to wait for annual planning cycles or lengthy strategy retreats. **MOVE** responds to this rapid change by simplifying strategy into a clear, repeatable system of seven essential tools, all powered by AI to accelerate decision making and execution. It's a practical, leadership-owned operating system that aligns strategic assumptions, project prioritization, and quarterly execution cycles. Through examples, this book reveals how AI can power real-time data analysis, surface critical indicators that signal when a strategic bet is veering off course, and show when emerging threats require immediate attention. In a rapidly changing world, **MOVE** is a key tool for senior executives, business leaders, board members, CEOs, Presidents, and P.L. owners to regain control across the entire execution cycle.

**The Social-Structural Determinants of Health** Sofie Hass, Jessica R. Corno, Aida Wisecup, 2025-07-29 Today more than ever, society is faced with the unequivocal question of developing a better understanding of the interconnectedness between social forces, environmental experiences, and the outcomes of mental and physical health and well-being. Post-COVID-19 considerations have led to an unprecedented need to establish a more interdisciplinary understanding of the role that social construction has on health and illness and the diverse set of ways that our social world plays in the identification, treatment, and experience of various diseases and health-related conditions. Social life is intricately linked to quality of life variables related to health, both mental and physical. Thus, we recognize the

invaluable contribution to the field of medicine made by a comprehensive understanding of health wellness and social functioning as a byproduct of the study of the human body and mind However we posit that this knowledge would be incomplete without examining the close relationship between health wellness and those aspects of social environment that create conditions that can either strengthen or undermine the wellbeing of individuals groups of people and entire communities the social structural determinants of health

*Second Class* Batya Ungar-Sargon, 2024-04-02 A personal journalistic ethnography of the modern American working class based on the travels and interactions of the author through the American heartland *Second Class* is the most important book you will read all year A political realignment is coming and it's my hope that the end result will work in favor of our all too neglected American working class When that realignment comes Batya and her book will help lead the way Greg Lukianoff CEO of the Foundation for Individual Rights in Education and co author of *The Coddling of the American Mind* Who is the American working class Do they still have a fair shot at the American Dream What do they think about their chances to secure the hallmarks of a middle class life While writing this book Batya Ungar Sargon visited states across the nation to speak with members of the American working class fighting tooth and nail to survive In *Second Class* working class Americans of all races political orientations and occupations share their stories cleaning ladies health care aides cops truck drivers fast food workers electricians and more In their own words these working class Americans explain the struggles and triumphs of their increasingly precarious lives as well as what policies they think would improve them *Second Class* combines deep reporting with a look at the data and expert opinion on America's emergent class divide in which the most basic elements of a secure and stable life are increasingly out of reach for those without a college education America has broken its contract with its laboring class So how do we get back to the American Dream How do we once again become the land of opportunity the promised land where hard work and commitment to family are enough to protect you from poverty It's not that hard actually All it would take as this book illustrates is for those in power to once again respect the dignity of work and the American worker

**The Last Line of Defense** Eric Schmitt, 2025-08-19 A NEW YORK TIMES BESTSELLER My good friend Eric Schmitt, former Attorney General and now Senator from the GREAT State of Missouri, has a wonderful new book just out entitled *The Last Line of Defense: How to Beat the Left in Court*. Eric is a FIGHTER who beat back Biden's disastrous Policies as A.G. and in the U.S. Senate has been working hard to defend our America First Agenda from the Radical Left. Get your copy today. President Donald Trump, One of the Senate's leading conservatives, reveals the key approaches needed for the Right to triumph over liberal lawyers and out-of-control judges. When Joe Biden took office, Eric Schmitt had been attorney general for just over two years and had been focused on tackling violent crime. As soon as he began to see the outrageous excesses of the Biden Administration, he and his team snapped into action, waging war on the Biden regime's stunning attempts at government overreach, winning some of the most important fights in modern American history, helping set the stage for a return to commonsense in government. Now in *The Last Line of Defense*, Senator Schmitt takes readers behind the scenes of those battles for the first time, talks about the lessons learned, and how conservatives can keep winning in court and beyond. He takes you inside some of his biggest wins against Mask mandates and vaccine mandates, Student debt forgiveness, Restrictions on Second Amendment rights, Soros-backed prosecutors, Woke ideology in our schools, Open borders, Attacks on free speech, The weaponization of government agencies. With President Trump back in office and the Left fighting him at every turn, it's more important than ever to remember just how close we came to losing it all, and why we need to keep playing to win.
