## **Personal Impressions:**

**Personal Impressions** Isaiah Berlin, 2014-05-25 In this collection of remarkable biographical portraits the great essayist and intellectual historian Isaiah Berlin brings to life a wide range of prominent twentieth century thinkers politicians and writers These include Winston Churchill Franklin D Roosevelt Chaim Weizmann Albert Einstein Virginia Woolf Aldous Huxley Boris Pasternak and Anna Akhmatova With the exception of Roosevelt Berlin met them all and he knew many of them well Other figures recalled here include the Zionist Yitzhak Sadeh the U S Supreme Court judge Felix Frankfurter the classicist and wit Maurice Bowra the philosopher J L Austin and the literary critic Edmund Wilson For this edition ten new pieces have been added including portraits of David Ben Gurion Maynard and Lydia Keynes and Stephen Spender as well as Berlin s autobiographical reflections on Jewish Oxford and his Oxford undergraduate years Rich and enlightening **Personal Impressions** is a vibrant demonstration of Berlin s belief that ideas truly live only through people

**Henry James and the Art of Impressions** John Scholar, 2020 Henry James criticized the impressionism which was revolutionizing French painting and French fiction and satirized the British aesthetic movement which championed impressionist criticism Yet time and again he used the word impression to represent the most intense moments of consciousness of his characters as well as the work of the literary artist Henry James and the **Art of Impressions** argues that the literary art of the impression as James practised it places his work within the wider cultural history of impressionism Henry James and the **Art of Impressions** offers an unprecedentedly detailed cultural and intellectual history of the impression It draws on philosophy psychology literature critical theory intellectual influences and aesthetics to study James s early art criticism literary criticism travel writing prefaces and the three great novels of his major phase *The Ambassadors* *The Wings of the Dove* and *The Golden Bowl* It argues that the coherent philosophical meanings of the Jamesian impression emerge when they are comprehended as a family of related ideas about perception imagination and aesthetics bound together by James s attempt to reconcile the novel s value as a mimetic form and its value as a transformative creative activity Henry James and the **Art of Impressions** traces the development of the impression across a range of disciplines to show how James s use of the word owes them cultural and intellectual debt It offers a more philosophical account of James to complement the more historicist work of recent decades

**The Nature of Philosophical Problems** John Kekes, 2014 We must all make choices about how we want to live We evaluate our possibilities by relying on historical moral personal political religious and scientific modes of evaluations but the values and reasons that follow from them conflict Philosophical problems are forced on us when we try to cope with such conflicts There are reasons for and against all proposed ways of coping with the conflicts but none of them has been generally accepted by reasonable thinkers The constructive aim of **The Nature of Philosophical Problems** is to propose a way of understanding the nature of such philosophical problems explain why they occur why they are perennial and propose a pluralist approach as the most reasonable way of coping with them This approach is practical context dependent and

particular It follows from it that the recurrence of philosophical problems is not a defect but a welcome consequence of the richness of our modes of understanding that enlarges the range of possibilities by which we might choose to live The critical aim of the book is to give reasons against both the absolutist attempt to find an overriding value or principle for resolving philosophical problems and of the relativist claim that reasons unavoidably come to an end and how we want to live is ultimately a matter of personal preference not of reasons

**Some Personal Impressions** Take Ionescu,1919 **Knowing the Adversary** Keren Yarhi-Milo,2014-07-21 States are more likely to engage in risky and destabilizing actions such as military buildups and preemptive strikes if they believe their adversaries pose a tangible threat Yet despite the crucial importance of this issue we don t know enough about how states and their leaders draw inferences about their adversaries long term intentions Knowing the Adversary draws on a wealth of historical archival evidence to shed new light on how world leaders and intelligence organizations actually make these assessments Keren Yarhi Milo examines three cases Britain s assessments of Nazi Germany s intentions in the 1930s America s assessments of the Soviet Union s intentions during the Carter administration and the Reagan administration s assessments of Soviet intentions near the end of the Cold War She advances a new theoretical framework called selective attention that emphasizes organizational dynamics personal diplomatic interactions and cognitive and affective factors Yarhi Milo finds that decision makers don t pay as much attention to those aspects of state behavior that major theories of international politics claim they do Instead they tend to determine the intentions of adversaries on the basis of preexisting beliefs theories and personal impressions Yarhi Milo also shows how intelligence organizations rely on very different indicators than decision makers focusing more on changes in the military capabilities of adversaries Knowing the Adversary provides a clearer picture of the historical validity of existing theories and broadens our understanding of the important role that diplomacy plays in international security Personal impressions Isaiah Berlin, **Free Russia** ,1890 *Outlook* ,1897 **Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church")** ,1893 Outlook and Independent ,1897 **The Statist** ,1897 *Personal Impressions* Rex Warner,1986 *The Westminster Review* ,1880 *The American Annual Cyclopedia and Register of Important Events of the Year ...* ,1882 **Appleton's Annual Cyclopædia and Register of Important Events of the Year ...** ,1891 Book News ,1893 **SOME PERSONAL IMPRESSIONS** Take 1858-1922 Ionescu,2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may

## Personal Impressions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Personal Impressions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Personal Impressions has opened up a world of possibilities. Downloading Personal Impressions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Personal Impressions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Personal Impressions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Personal Impressions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Personal Impressions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Personal Impressions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
