Family travel to Beijing

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

Creating Writers Vicki Spandel, 2005 **Creating Writers** Fourth Edition is the most comprehensive exploration of the 6 trait approach to writing yet. Written by the pioneer of 6 trait writing, this Fourth Edition brings everything up to date, offering a comprehensive overview of the best education strategies and philosophies from the worlds of writing assessment and instruction. It provides clear guidelines on helping students draft, assess and revise their writing, as well as explicit criteria to show students precisely what they must do to succeed as writers in virtually any situation. Widely used at the state level, school districts are incorporating the 6 traits into their state standards or assessments. This is the only book on the market that effectively helps teachers of writing prepare their students for success on state tests. New format and organization is designed to make the content clear and simple. New and revised checklists for genre specific writing instruction to separate key elements in narrative, writing, literary analysis and persuasive writing. New and creative ways to use 6 trait writing in classrooms are explored, including adaptations for kinesthetic learners and second language learners. Ringing Endorsements for **CREATING WRITERS** Not only

is Creating Writers the most comprehensive book ever on 6 trait writing instruction and assessment it's also a practical inspirational guide for any writing classroom. It's one of those rare professional books that both teachers and administrators read cover to cover and you'll find the well worn copies on their desks to prove it. This extensively revised edition with voluminous examples from students and literature draws the strongest link yet between writing assessment and instruction. No writing classroom should be without it. Barry Lane Author of After THE END Teaching and Learning Creative Revision The Reviser's Toolbox and The Portfolio Sourcebook Spandel has done it again. In Creating Writers Fourth Edition she shares her current thought and unparalleled skill framed around the traits of writing. The originator once again inspires us with practical enriched instruction and assessment applications promising practices for teaching and learning at its zenith. On behalf of classroom teachers everywhere Thank you Vicki Dr Donna Flood Director of Staff Development and Instructional Improvement Millard Public Schools Omaha NE. If you're only going to read one book about teaching writing this year make it Creating Writers. It's lively and fast paced filled cover to cover with practical help on using the six traits to enrich writing instruction and assessment from one on one writing conferences to building craft lessons. This book gives you and your students a shared language with which to talk about writing. No writing teacher in America has done more than Vicki Spandel to show how to actually make writing workshops work. Whether you're a new teacher or a veteran you'll find both inspiration and how to do it strategies in Creating Writers. As an added bonus you will find that the strategies detailed in this book prepare students for success on state writing assessments as well as for their journey as life long writers.
