Mapping Comprehensive Units to the ELA Common Core Standards, K-5 Kathy Tuchman Glass, 2012-04-26 Consultant and former teacher Glass helps K-5 teachers make sense of the new Common Core State Standards in English language arts ELA and presents numerous classroom activities differentiation ideas and rubrics. She introduces a process for developing a unit of study using the ELA Common Core Standards and includes a template with each key component explained in detail. There is also a lesson design template and sample lessons using the template. The website provides reproducibles for classroom use. Annotation 2012 Book News Inc Portland OR booknews.com

**Amplifying the Curriculum** Aída Walqui, George C. Bunch, Peggy Mueller, 2025 Expanded and revised to include four entirely new chapters this thoroughly updated edition presents a model for how educators can design high quality challenging and supportive learning opportunities for multilingual learners. Starting with the premise that conceptual analytic and language practices develop simultaneously as students engage in disciplinary learning the authors argue for instruction that amplifies rather than simplifies expectations concepts texts and learning tasks. They offer clear guidance for designing well supported lessons with examples that demonstrate the approach in elementary and secondary classrooms across various subject areas math science language arts and social studies and contexts including newcomer classrooms and a new chapter written in Spanish on instruction in students home languages. This popular resource guides teachers through the coherent design of tasks lessons and units that invite all students to engage in productive meaningful dialogic and intellectually engaging activity. The book concludes with a discussion of where teachers might begin and how teacher educators professional development providers and educational leaders can support them in these efforts. Book Features Provides discipline specific examples that are fully unpacked to guide teachers in creating ambitious and supportive learning tasks lessons and units of study. Supports teachers in their own instructional design by providing guiding tenets a framework for designing lessons and multiple examples in different subject areas. Offers a compelling argument supported with examples and guidelines that highlights the centrality of interactions in the development of student academic autonomy. Provides practical guidance grounded in sociocultural ecological theory applied linguistics and theories about effective learning of disciplinary practices. Includes real life lessons that have been successfully implemented in classrooms with multilingual learners at all levels of language proficiency. The second edition of this fantastic resource for teachers of ELL classified students and other multilingual learners extends the authors original framework of effective ways to amplify highly engaging academic instruction across grade levels content areas and home languages.
