### The People of the Abyss - Jack London

Jack London,2021-04-05 The People of the Abyss Hats off to Tangerine Press for re publishing Call of the Wild author Jack London s descent into London s east end in the 1900s Sent to cover Edward VII s coronation he went in search of the real story the stinking slums Doffing his Yankee togs for filthy rags purchased off a barrow in Petticoat Lane the young vigorous handsome American spent seven weeks amidst foul tenements starving children alcoholic adults stunted human beings and bottomless despair London rails against the industrial machine operating without restriction in a divided metropolis where one in every four adults died on public charity People of the Abyss shows how far we have come but also the dangers of a new abyss yawning as global capitalism dumps unions and enforces zero hour contracts and the global arms industry s bombs drive millions from their homes

**The Mutiny of the Elsinore**

Jack London,2021-01-04 From the first the voyage was going wrong Routed out of my hotel on a bitter March morning I had crossed Baltimore and reached the pier end precisely on time At nine o clock the tug was to have taken me down the bay and put me on board the Elsinore and with growing irritation I sat frozen inside my taxicab and waited On the seat outside the driver and Wada sat hunched in a temperature perhaps half a degree colder than mine And there was no tug Possum the fox terrier puppy Galbraith had so inconsiderately foisted upon me whimpered and shivered on my lap inside my greatcoat and under the fur robe But he would not settle down Continually he whimpered and clawed and struggled to get out And once out and bitten by the cold with equal insistence he whimpered and clawed to get back His unceasing plaint and movement was anything but sedative to my jangled nerves In the first place I was uninterested in the brute He meant nothing to me I did not know him Time and again as I drearily waited I was on the verge of giving him to the driver Once when two little girls evidently the wharfinger s daughters went by my hand reached out to the door to open it so that I might call to them and present them with the puling little wretch

*The Mutiny of the Elsinore*

Jack JACK LONDON,2020-06-20 JACK LONDON **Dutch Courage and Other Stories by Jack London** Jack London,2021-06-29 Just our luck Gus Lafée finished wiping his hands and sullenly threw the towel upon the rocks His attitude was one of deep dejection The light seemed gone out of the day and the glory from the golden sun Even the keen mountain air was devoid of relish and the early morning no longer yielded its customary zest Just our luck Gus repeated this

time avowedly for the edification of another young fellow who was busily engaged in sousing his head in the water of the lake  
What are you grumbling about anyway Hazard Van Dorn lifted a soap rimmed face questioningly His eyes were shut What s  
our luck Look there Gus threw a moody glance skyward Some duffer s got ahead of us We ve been scooped that s all     *The  
People of the Abyss* By Jack London Jack London,2021-04-27 From an East London standpoint the room I rented for six  
shillings or a dollar and a half per week was a most comfortable affair From the American standpoint on the other hand it  
was rudely furnished uncomfortable and small By the time I had added an ordinary typewriter table to its scanty furnishing I  
was hard put to turn around at the best I managed to navigate it by a sort of vermicular progression requiring great dexterity  
and presence of mind Having settled myself or my property rather I put on my knockabout clothes and went out for a walk  
Lodgings being fresh in my mind I began to look them up bearing in mind the hypothesis that I was a poor young man with a  
wife and large family My first discovery was that empty houses were few and far between so far between in fact that though I  
walked miles in irregular circles over a large area I still remained between Not one empty house could I find a conclusive  
proof that the district was saturated
