History Has Made Us Friends illuminates the nature and dynamics of Canada US relations examining their history attributed meaning and conceptualization. Contributors consider many angles and perspectives including the impact of geopolitical change to determine whether the relationship warrants the moniker special. They explore whether shared values and demographic similarities continue to cement the relationship and if it still matters whether presidents and prime ministers get along. While things look different today from when President Kennedy declared What unites us is far greater than what divides us. History Has Made Us Friends argues that the Canada US relationship often narrowly understood or dismissed as a relic of the past continues to be unique and resilient. **Rodeo in America** Wayne S.
