*New Voices in Higher Education Research and Scholarship* Ribeiro, Filipa M., Politis, Yurgos, Culum, Bojana, 2014-11-30  
Higher Education systems and universities worldwide are constantly being transformed due to ever changing practices and policies Recent research reveals the challenges between society and higher education continue to grow New Voices in Higher Education Research and Scholarship explores the role of higher education in today's society It discusses the rapidly changing nature of higher education around the globe especially the relationship between higher education and social development This reference book will be of use to policymakers, academicians, researchers, students, and government officials

[American Gothic: Reflections on Gothic Architectural Scholarship in America, 1925-2025](#), 2025-08-04 This book chronicles the contributions of American scholars to the study of European Gothic architecture It traces this history through a series of biographical case studies of major figures ranging from Arthur Kingsley Porter to Robert Branner and Jean Bony to Caroline Bruzelius calling attention to their influence as mentors and to the character of their professional networks These biographical chapters are supplemented by thematic essays and a roundtable discussion of current issues in the field Altogether the book explains how working from overseas presents both significant challenges and valuable perspectives allowing American scholars to enrich dialog in the field Contributors are Robert Bork, Caroline Bruzelius, Meredith Cohen, S Diane Daussy, Jennifer M Feltman, Erin Hulbert, Maile Hutterer, Matthew Reeve, Lisa Reilly, Rebecca Smith, Zachary Stewart, Kyle Sweeney, Kristine Tanton, Sarah Thompson, Arnaud Timbert, and Joseph Williams

**Co-Creativity and Engaged Scholarship** Alex Franklin, 2022-01-02 This open access book explores creative and collaborative forms of research praxis within the social sustainability sciences The term co creativity is used in reference to both individual methods and overarching research approaches Supported by a series of in depth examples the edited collection critically reviews the potential of co creative research praxis to nurture just and transformative processes of change Included amongst the individual chapters are first hand accounts of such as militant research strategies and guerrilla narrative, decolonial participative approaches, appreciative inquiry and care ethics, deep mapping, photo voice, community arts, digital participatory mapping, creative workshops and living labs The collection considers how through socially inclusive forms of action and reflection such co creative methods can be used to stimulate alternative understandings of why and how things are and how they could be It provides illustrations of and problematizes the use of co creative methods as overtly disruptive interventions in their own right and as a means of enriching the transformative potential of transdisciplinary and more traditional forms of social science research inquiry The positionality of the researcher together with the emotional and embodied dimensions of engaged scholarship are threads which run throughout the book So too does the question of how to communicate sustainability science research in a meaningful way
