Hi Juliana Baldec here My sister Alecandra Baldec empowered me to get into the fascinating world of Yoga She inspired me and encouraged me not only to tap into the unlimited benefits of Yoga which helped me get rid of my breathing and Asthma problems but she also inspired me to write this Yoga poses book that includes all the Yoga poses that I have been doing on a daily basis for for around 3 months now We put our two beginning Yoga position guides together into one comprehensive compilation for beginning Yoga students to learn from and to enjoy Both her and my book talk about beginning Yoga poses in a completely different way and perspective because I am a beginning Yoga student myself and I am talking about my own experiences that I have made with Yoga over the past 3 months and she is a certified Yoga instructor and has lots of experience and knows about every aspect of Yoga This is why I also included a cool 5 minute Yoga strategy for you so that you can even stick to your daily Yoga ritual if you are a very busy Yoga beginner and have almost no extra time for Yoga workouts I also hope that this book will enable and empower you to develop a passion for Yoga You are going to discover the basic standing Yoga poses the basic chair Yoga poses and the basic floor Yoga poses and you will get the most benefits of yoga out of these as a beginner If you are following and applying the empowering information inside the guide and if you are repeating these basic poses on a daily basis you will soon be able to tap into these unlimited benefits that come from a daily Yoga practice This compilation gives helps you discover the best Yoga exercises for beginners without having to invest a fortune in trainers and instructors but you still get the valuable information that comes from a Yoga beginner just like yourself and from a Yoga experts who has done this with passion for years This is the type of knowledge that you wish you knew before **Friends Journal** ,2006 *Time* ,2005-11 Forbes ASAP ,1996-02 **Lodging** ,2006 Forbes ,1996

Today only get this Paperback version book for just 20.99. Regularly priced at 29.99. Several centuries of crystallization and careful selection of the most efficient techniques made yoga one of the most effective training systems. Due to the permanent and regular practice of yoga exercises, you will obtain iron health, well-controlled mind, and strong will, everything to build a strong foundation for your happy and conscious life. With the help of this book, you will learn the yoga basics and understand that yoga is not as challenging as you have always considered. A few minutes every day will be enough to remain healthy, to live in harmony, and to feel a true yogi. If you are at the very beginning of your yoga studies and practice, then most probably you'll have to learn the practice features thoroughly, review the details of performing asanas, and perhaps to discover a new world. How can you start yoga exercises at home? This question is typical of all people who just want to study yoga. The most important thing here is the regularity of your exercises. For the beginners, one session is enough if you use at home. Training sets for beginners are quite simple and don't exhaust the body too much, but help you to start the regular exercises. And when these activities become a social habit for you, you can expand them, learn more complex poses, and spend instead of 10 minutes half an hour or even the whole time to perform them every day. You may perform basic asanas at home without instructor's aid. This is an excellent option for beginners, thus you can quickly learn this technique. And even if you do something wrong, there will be no harm to your health, only positive emotions and conciliation. The following asanas will help you to prepare your body for more severe stresses and facilitate the process of losing weight. If you plan to perform this gymnastic at home, then you need to find enough time for the procedure and to protect yourself from possible problems. Don't hurry. First of all, you have to learn how to feel your body. So here's our smooth introduction into yoga for the beginners. Here You Will Learn General Recommendations for Learning and Performing the Exercises Sets, Surya Namaskar Set, Alternate nostril breathing Asana Set for the Beginners. Much much more.
