Procedure No. 219-29

DISTRIBUTION AND USE OF NYPD RESTRICTED PARKING PERMITS

DATE ISSUED:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
07/01/20	07/01/20		1 of 7

PURPOSE

To provide for the distribution, accountability, use and restrictions of the NYPD Restricted Parking Permit.

DEFINITION

NYPD Restricted Parking Permit (Misc. 13-N): Cardboard, approximately four inches by ten inches with serial number, command code, space for vehicle license plate number and an expiration date (permit color, design and expiration date will change each year).

PROCEDURE

To account for the distribution and use of Department issued NYPD Restricted Parking Permits.

NOTE

ELIGIBILITY REQUIREMENTS FOR RESTRICTED PARKING PERMITS

Only members of the service are eligible to receive a Restricted Parking Permit. Under NO circumstance will non-members of the service be assigned permits. Members of the service must meet the following requirements to be deemed ELIGIBLE for a Restricted Parking Permit.

- a. Member must have a valid NYS driver's license and the vehicle that the Restricted Parking Permit is requested for must have a valid NYS registration (this requirement is not applicable for members of the service with certain exempted titles, i.e., certain employment titles allow members to reside outside of New York City and the resident counties). Any member of the service with an exempted title must comply with the regulations of this procedure based upon the licensing, registration and insurance regulations of the state in which they reside.
- b. The vehicle that the Restricted Parking Permit is requested for must have a valid insurance policy.
- c. The vehicle that the Restricted Parking Permit is requested for must be registered to the requesting member of the service, or to a person related by blood or marriage, or to the requesting member's registered NYS domestic partner. The residence of the vehicle's registered owner (member of the service, relative or NYS domestic partner) must be the same residence the requesting member of the service has on record with the Department.

When a member of the service applies for a Restricted Parking Permit, it is permissible to have a Post Office (P.O.) box listed on the member's driver's license, registration and/or insurance card. However, in all cases the member of the service's address of record with the DMV for his/her license and registration, as well as the address on record with the insurance company for the auto insurance all must match the primary residence the member of the service has on record with the Department.

If the mailing address on the registration of the vehicle is a P.O. box, the requesting member MUST attach to the application proof that the insurance policy of the vehicle is issued to the same address as the member's primary residence on record with the Department.

TASER® Conducted Electrical Weapons: Physiology, Pathology, and Law Mark W. Kroll, Jeffrey D. Ho, 2009-02-27 TASER Conducted Electrical Weapons are rapidly replacing the club for law enforcement control of violent subjects within many countries around the globe. A TASER CEW is a hand held device that delivers a 400 volt pulse with a duration tuned to control the skeletal muscles without affecting the heart at a distance of up to 6.5 meters over tiny wires. If necessary it begins with an arcing voltage of 50,000 V to penetrate thick clothing. The 50,000 V is never delivered to the body itself. Due to the widespread usage of these devices and the widespread misconceptions surrounding their operation this book will have significant utility. This volume is written for cardiologists, emergency physicians, pathologists, law enforcement management, corrections personnel and attorneys.

The Secret Files: Bill de Blasio, The NYPD, and the Broken Promises of Police Reform Micheal Hayes, 2025-05-13 An unprecedented breakdown of the NYPD's powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability. For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat. In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force. In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans. While de Blasio may have suffered a political setback it's New Yorkers who are the true victims of this failure to deliver accountability and transparency. The state has a law that specifically prevents the public from learning about concealed police records. New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted, brutalized and murdered with near impunity. Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough. He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police.

Policing and Minority Communities James F. Albrecht, Garth den Heyer, Perry Stanislas, 2019-07-31 This insightful book examines the allegations against the professionalism, transparency and integrity of law enforcement toward minority groups from a global perspective. It addresses the challenges inherent in maintaining strong ties with members of the community and draws attention to obstacles in ensuring public confidence and trust in rule of law institutions. Most importantly the book provides insight into mechanisms and proposals for policy reform that would permit enhanced police community partnership, collaboration and mutual respect. Acknowledging the consistency of this concern despite geographic location, ethnic diversity and religious tolerance this book considers controversial factors that have caused many groups and individuals to question their relationship with law enforcement. The book examines the context of police community relations with contributed research from Nigeria, South

Africa Kosovo Turkey New Zealand Mexico Scandinavia and other North American and European viewpoints It evaluates the roles that critical factors such as ethnicity political instability conflict colonization mental health police practice religion critical criminology socialism and many other important aspects and concepts have played on perceptions of policing and rule of law A valuable resource for law enforcement practitioners and researchers policy makers and students of criminal justice Policing and Minority Communities Contemporary Issues and Global Perspectives confronts crucial challenges and controversies in policing today with quantitative and qualitative research and practical policy recommendations

The New Untouchables John DeSantis,1994 Explores the modern role of law enforcement the dangers of police brutality excessive use of force and the loss of constitutional freedoms

Y. P. D. True** Anonymous,2005-06-27 N Y P D True The Decay of the Big Apple's Police Department is not a book praising the New York City Police Department and how adventurous it is to be a NYPD cop In fact information written in this book are things that many newspapers ranking members of the Department and regular police officers would not talk about in a public forum for fear of the repercussions that would face them However it is a book about the truth and the inner workings of the job It is a book about the chaos and disorder that REAL COPS who work for this bureaucracy have

to face everyday It is a tribute to those who have been wronged and their families who stuck by them when the Department wouldn't. This book is authentic. It shows the realities of the NYPD by one of its own in a unique fashion. It's not about specific cases but rather the NYPD and its injustices as a whole. It is truthful and raw and will offer the reader an accurate glimpse into the everyday operations within the NYPD. For young people who are thinking about making a career with the NYPD this is a must read. You will extract information from these pages that you will not hear on the radio, television or NYPD recruitment promos. It is the NYPD's dark and dirty secrets they withhold from the general public by Nazi like tactics and Byzantine outdated rules of the NYPD's Patrol Guide. To the skeptics who don't believe the truthfulness and veracity of such information as presented in this book I tell them this next time you see a REAL New York City police officer ask them if what I say is true. If you are speaking to a REAL cop their reply will undeniably be 100% true. *A Comparative Study of New York* Aniceto Dino Doria, 2002
