The text continues to support the entry-level occupational therapist and the experienced occupational therapist focused on expanding skills and knowledge. With the OT practice framework as a guide, you will focus on the core concepts and central goals of client care. And by studying threaded case studies, you will learn to apply theory to clinical practice. Written by a team of expert OT educators and professionals led by Heidi McHugh Pendleton and Winifred Schultz-Krohn, this edition includes an eBook free with each new print purchase featuring a fully searchable version of the entire text. **UNIQUE Threaded case studies** begin and are woven through each chapter, helping you develop clinical reasoning and decision-making skills and to apply concepts to real-life clinical practice. **UNIQUE Ethical Considerations boxes** examine the obligation to collaborate with clients on their care using evidence to select treatment options. **UNIQUE OT Practice Notes** convey important tips and insights into professional practice. **Illustrated evidence-based content** provides a foundation for practice, especially relating to evaluation and intervention. **Information on prevention** rather than simply intervention or treatment shows how OTs can take a proactive role in client care. **Focus on health promotion and wellness** addresses the role of the occupational therapist in what the AOTA has identified as a key practice area. **Content on cultural and ethnic diversity** is included in every chapter, reflecting occupational therapy's commitment to this important issue. **Key terms, chapter outlines, and chapter objectives** highlight the information you can expect to learn from each chapter. **The OTA's Guide to Writing SOAP Notes** Sherry Borchertding, Marie J. Morreale, 2007. Written specifically for occupational therapy assistants, *The OTA's Guide to Writing SOAP Notes* Second Edition is updated to include new features and information. This valuable text contains the step-by-step instruction needed to learn the documentation required for reimbursement in occupational therapy. With the current changes in healthcare, proper documentation of client care is essential to meeting legal and ethical standards for reimbursement of services. Written in an easy-to-read format, this new edition by Sherry Borchertding and Marie J. Morreale will continue to aid occupational therapy assistants in learning to write SOAP notes that will be reimbursable under Medicare Part B and managed care for different areas of clinical practice. **New Features in the Second Edition** Incorporated throughout the text is the Occupational Therapy Practice Framework along with updated AOTA documents. More examples of pediatrics hand
