Pediatric Nursing (Speedy Study Guides) Speedy Publishing, 2014-06-16

Pediatric nursing is the niche area of nursing where one works solely with babies, toddlers, and children. It is a specialized area of nursing that many ponder but find getting good information about day to day duties and responsibilities quite hard. A reference book outlining the routine functions of a pediatric nurse is highly beneficial for those seeking to head down this truly unique career path where the care of children is the focal point and nurses are charged with helping kids mitigate and heal from all types of accidents, diseases, injuries, and medical conditions
