*The Prophetess (Daughters of the Promised Land Book #2)* Jill Eileen Smith, 2016-01-26 Outspoken and fearless Deborah has faith in God but struggles to see the potential her own life holds. As an Israelite woman she will marry, have a family and seek to teach her children about Adonai and those tasks seem to be more than enough to occupy her time. But God has another plan for her. Israel has been under the near constant terror of Canaan's armies for twenty years and now God has called Deborah to deliver her people from this oppression. Will her family understand? Will her people even believe God's calling on her life? And can the menace of Canaan be stopped? With her trademark impeccable research and her imaginative storytelling, Jill Eileen Smith brings to life the story of Israel's most powerful woman in a novel that is both intriguing and inspiring.

**Strong and Influential Women** Dianne Ledbetter, 2025-07-10 The title of my book came about after teaching a young girl's Sunday school class. We studied strong and influential women in the Bible. When I retired, I really wanted to teach a women's Bible study. After several years that did not come to fruition, I woke up early one Sunday morning and the thought came to me: Write a book about strong and influential women in the Bible. I had never thought about writing a book. I immediately googled Christian publishing companies. I immediately saw Christian Faith Publishing and sent an email explaining that I would like to write a book. By Sunday morning I had received an email back thanking me for contacting the company and that someone would call me. Monday morning I received that phone call. On Monday morning and the rest is history. This book was meant to be. With God's help, I tried to relate how modern-day women face some of the same trials that early biblical women faced. Those early biblical women remained strong as women today remain strong. Don't ever doubt the strength of a woman, especially when she is determined to succeed, no matter the obstacle. I pray that reading this book will give hope to those who are in need of hope. Hope comes through the forgiving grace of our Heavenly Father and His Son, Jesus Christ. I encourage men to also read this book. I believe you will learn a lot that you did not know about women of old as well as women today.

**The Tribes of Israel** Otinel C. Iancu, 2018-01-28 In this book, the author takes a unique approach in presenting the information of the history of each of the Twelve Tribes of Israel. He begins from the time of their first forefathers, continues with their incipience as tribes, moves on to their full development as semi-nations within the people of Israel, and then ends by stating the final destiny of each of them. In order to do this, the author goes throughout the Bible and collects all the possible information about each tribe and then puts that information together in chapters, one for each tribe. From each tribe, the author draws a spiritual lesson that he states in the conclusion of each chapter. Each chapter follows the following format: A Name of the tribe, B Map of the tribe containing a Tribe's specific location in the Promised Land, b Tribe's flag, c Tribe's logo taken from the blessing of Jacob, C Welcome and Presentation, D A common history with the rest of the tribes of Israel, E A unique history of the described tribe, a Tribe's territory, b Tribe's famous places, c Tribe's famous persons, d Tribe's famous

story s F Conclusion The Twelve Tribes are addressed in alphabetical order and not in the order of their significance or the order of the birth of their forefathers the twelve sons of Jacob      *Deborah's Daughters* Joy A. Schroeder,2014-02-28 Joy A Schroeder offers the first in depth exploration of the biblical story of Deborah an authoritative judge prophet and war leader For centuries Deborah s story has challenged readers traditional assumptions about the place of women in society Schroeder shows how Deborah s story has fueled gender debates throughout history An examination of the prophetess s journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society Numerous women and men who supported women s aspirations to leadership used Deborah s narrative to justify female claims to political and religious authority Opponents to women s public leadership endeavored to define Deborah s role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women Deborah s Daughters provides crucial new insight into the history of women in Judaism and Christianity and into women s past and present roles in the church synagogue and society      **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12
