Michael Hamburger Reader:

Michael Hamburger Reader Michael Hamburger, 2014 **From Charlottenburg to Middleton** Joyce Crick, Martin Liebscher, Martin Swales, 2010 This volume explores Hamburger's poetry and creative prose his translations the person and his world His scholarly writing was one element in his work his jargon free criticism retaining an undiminished urgency freshness and vital literacy His poetry ranges itself against the tracks and mechanisms of monstrous order and seeks to mark out a territory where some kind of value can be disclosed both within and beyond the poetry As a translator Hamburger asks the reader to hear between the lines of English poetry the German text the text that stretches the length and changes the rhythm of the English sentence These essays take the reader to the heartland of Hamburger's life and work and look at two very different attempts to capture his world on film The volume is illustrated by stills from Frank Wierke's acclaimed documentary *Ein englischer Dichter aus Deutschland* 2007 *Chicorel Index to the Spoken Arts on Discs, Tapes and Cassettes* Marietta Chicorel, 1974 **A Mug's Game** Michael Hamburger, 1973 *Chicorel Index to Short Stories in Anthologies and Collections* Marietta Chicorel, 1973 Volume 7 of the series volume 1 of the set lists performances and readings of full plays significant abridgements and excerpts from plays that have been recorded Series volume 7A volume 2 of the set is a companion volume to volume 7 with an emphasis on recorded poetry Series volume 7B volume 3 of the set adds approximately 10 000 entries to the coverage of volumes 7 and 7A In addition short stories novels speeches commentaries conversations essays and readings have been indexed in these volumes *A Reader's Guide to the Narrative and Lyric Poetry of Thomas Lovell Beddoes* Rodney Edgecombe, 2015-10-05 Beddoes poses a peculiar problem for critics and scholars who wish to redress the marginal position that he occupies in the Romantic canon a problem seemingly unique to him and created in part by his misconception of his own strengths as a writer An extremely good poet who had things turned out differently might have functioned as a missing link between Keats and Tennyson he fatally divided his attention between verse and medicine a discipline that by his own admission made in the poem composed for Zo King served to wither his creative gift This fission of energy was bad enough but more damaging still was his misconception of metier for whatever mental resources remained to Beddoes after gruelling days in the classroom he invested in writing an unstageable drama instead of in his primary gift for lyric verse Whereas the Beddoes revival that has been gathering momentum in recent years has centred on *Death's Jest Book* the play onto which the poet directed some might say misdirected so much of his creative energy this study focuses wholly on his lyric and narrative verse much of which has received short critical shrift It follows the sequence of poems set out in the Donner edition and focuses on their verbal richness and inventiveness as they unspool upon the page **Michael Hamburger in Conversation with Peter Dale** Michael Hamburger, Peter Dale, 1998 LITERATURE CRITICISM MEMOIRS LETTERS POETRY *Comparative Criticism: Volume 2, Text and Reader* E. S. Shaffer, Elinor Shaffer, 1980-11-06 A yearbook sponsored by the British Comparative Literature Association asserting that comparative

literary studies represent a major direction forwards **Texts** Helmut Heissenbüttel, Michael Hamburger, 1977 *Location Register of Twentieth-century English Literary Manuscripts and Letters* British Library Staff, 1988 **Kiosk** Hans Magnus Enzensberger, 1997 As well as being Germany's most important poet Hans Magnus Enzensberger is a provocative cultural essayist and one of Europe's leading political thinkers No British poet can match him in his range of interests and his moral passion Born in 1929 in Bavaria he grew up in Nazi Nuremberg His poetry's social and moral criticism of the post war world owes much to Marxism yet insists on the freedoms which often denied by Communist governments like Orwell he maintains that satire and criticism should not be party political In 1994 he published his *Selected Poems* with Bloodaxe and his essays on new world disorder *Civil War* with Granta In *Kiosk* his subsequent collection he draws on his wide knowledge of the scientific and technical developments of the last half century yet comes out on the other side of extreme scepticism on the side of poetry and poetry's negative capability a kind of unknowing Though never a confessional poet he has won through to the freedom to draw on intimate experience too However disillusioned now about public issues he remains a poet of defiance as intelligent compassionate and trenchant as ever *Kiosk* was followed in 2002 by *Lighter than Air* His bilingual *New Selected Poems* was published by Bloodaxe in 2015 *Selected Poems* Michael Hamburger, 1988 **The Oxford Guide to Literature in English Translation** Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e.g. Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available
