## **Moped Maintenance Guide:**

**Motorcycle & Scooter Maintenance Manual** Hugo Wilson, 1997 Whether faced with a simple disc pad change or a more complex clutch renewal this manual provides a practical guide. The book is structured in 11 main sections each concentrating on a specific aspect of the motorcycle from engine and ignition system to wheels and tyres. Principle parts, technicalities and how to identify wear and tear are all explained with all the essential maintenance tasks demonstrated in step by step photography. Monthly and annual maintenance charts plus tips for troubleshooting are also included.

This is a Motorcycle Maintenance Log Book for anyone that wants to keep track of all the maintenance work and repairs that's done on their pride and joy amongst many other things. This book is perfect for anyone that owns a Motorcycle so you can keep track of any work that has been done and any maintenance that needs to be completed. Whether you own a motorcycle, motorbike, chopper, moped, dirt bike, off road bike, trail bike or scooter it will also help if you decide to sell your bike as you will have a record of all the work that has been carried out with dates and costs. This maintenance record book would make the perfect gift for any motorcycle enthusiast that wants to keep their pride and joy in tip top condition. This Motorcycle Maintenance Log Book has been designed to be as helpful as possible by providing guidance and space to include the following information. Inside the front cover is space for owner and bike details. There is a page dedicated to items that have a serial number and their service intervals. Space to record all the Spare Parts part numbers, places to buy and costs that are needed on your individual ride. The main part of the book has been designed to list the Maintenance and Repair work that's needed with space to record 500 jobs over 25 double pages. This allows you to note down a job that needs doing or an issue that needs fixing as soon as you spot it and then go back to when you have the time to complete it. Keep track of the date the job was spotted and recorded a description of the issue if it was a repair or maintenance item when it was completed who did it and space to record any relevant comments ie Temporary repair done book in yard to fix replace item or price of parts etc whatever will be helpful to you. Keep a record of all the jobs that need doing when your bike is next scheduled for a visit to the garage so you can start getting and recording quotes for the work that needs doing. Space for comments and when the work was completed also Fuel log pages to keep track of fuel usage cost and engine hours. An Upgrades wish list so you know what to put on your Christmas List. Useful Contacts Drawing Space to draw diagrams Notes Pages. The book is 8 inches by 10 inches paperback with a glossy cover and good quality paper.
