**Grief Memoirs** Katarzyna A. Małecka,2023-09-29 Grief Memoirs Cultural Supportive and Therapeutic Significance bridges literary studies and psychology to evaluate contemporary grief memoirs for use by bereaved and non bereaved individuals This volume positions the grief memoir within life writing and bereavement studies through examination of the genre s characteristics definitions and functions The book presents the views of memoirists helping professionals community members and university students on writing and reading as self expressive self searching and grief witnessing acts after the loss of a loved one Utilizing new data from surveys assessing grief support and bibliotherapy this text discusses the compatibility of grief memoirs with contemporary grief theories and the role of interdisciplinary methods in assisting the bereaved Grief Memoirs Cultural Supportive and Therapeutic Significance will help educators advance the understanding and interpretation of loss within psychology literature and medical humanities classrooms    **Rethinking Gothic**

**Transgressions of Gender and Sexuality** Sarah Faber,Kerstin-Anja Münderlein,2024-03-11 From early examples of queer representation in mainstream media to present day dissolutions of the human nature boundary the Gothic is always concerned with delineating and transgressing the norms that regulate society and speak to our collective fears and anxieties This volume examines British and American Gothic texts from four centuries and diverse media including novels films podcasts and games in case studies which outline the central relationship between the Gothic and transgression particularly

gender ed and sexual transgression This relationship is both crucial and constantly shifting ever in the process of renegotiation as transgression defines the Gothic and society redefines transgression The case studies draw on a combination of well studied and under studied texts in order to arrive at a more comprehensive picture of transgression in the Gothic Pointing the way forward in Gothic Studies this original and nuanced combination of gendered Ecogothic queer and media critical approaches addresses established and new scholars of the Gothic alike **The Work of Life Writing** G. Thomas Couser,2021-04-13 Life writing in its various forms does work that other forms of expression do not it bears on the world in a way distinct from imaginative genres like fiction drama and poetry it acts in and on history in significant ways Memoirs of illness and disability often seek to depathologize the conditions that they recount Memoirs of parents by their children extend or alter relations forged initially face to face in the home At a time when memoir and other forms of life writing are being produced and consumed in unprecedented numbers this book reminds readers that memoir is not mainly a literary genre or mere entertainment Similarly letters are not merely epiphenomena of our real lives Correspondence does not just serve to communicate it enacts and sustains human relationships Memoir matters and there s life in letters All life writing arises of our daily lives and has distinctive impacts on them and the culture in which we live **Ordnance Survey Memoirs of Ireland** Angélique Day,Patrick McWilliams,1990 **Preliminary memoir.
