**Adventure Tourism and Outdoor Activities Management** Ian Jenkins,2019-02-04 An essential resource for those wishing to understand the key factors behind the operation of an adventure tourism company and how to be able to deliver a profitable as well as a sustainable product It discusses important factors such as how the use of technologies and the current importance of environmental impacts and climate change are areas that are key to adventure tourism firms To remain profitable companies need to address these issues along with the important elements of risk and safety Created from the author s experience in delivering adventure tourism courses over the last 20 years this long awaited book is aimed at both university courses on adventure tourism and outdoor recreation as well as those working within the industry

Sustainability Reporting and Blockchain Technology Harjit Singh,Neha Puri,Nandita Mishra,2024-12-13 This book explores the much talked about but less understood issue of sustainability reporting in a global context linking it to the application of blockchain and other emerging technologies It provides a transnational platform to examine the experiences of investors researchers academicians and policymakers as they confront these concerns across a variety of industries and countries thus offering best practice guidance to assess the technological landscape and to model sustainable business initiatives It offers relevant theoretical frameworks and the latest empirical research findings Further it argues that in order to reduce carbon footprints globally by reporting all their emissions through a single blockchain platform companies can create a standardized space for data to be collected and tracked reliably allowing for meaningful measurements The book benchmarks and analyses sustainability performance with respect to numerous laws norms codes performance standards and voluntary initiatives It demonstrates how the organization influences and is influenced by expectations about sustainable development and emphasizes the link between financial and non financial performance enabling external stakeholders to understand the organization s true value along with tangible and intangible assets It will enable readers to increase their understanding of the potential risks and opportunities and avoid environmental social and governance failures The book provides insight into existing research practice and outcomes that could clarify and promote the state of the art on themes such as the drivers for sustainability reporting Environmental Social and Governance goals the influence of blockchain on

sustainability reporting as well as the issues and challenges The book will be a useful guide for scholars researchers students practitioners regulators and policymakers alike **Tourism and Religion** Richard Butler,Wantanee Suntikul,2018-01-30 This book examines both specific issues and more general problems stemming from the interaction of religion travel and tourism with hospitality and culture as well as the implications for site management and interpretation It explores the oldest form of religious tourism pilgrimage from its original form to the multiple spiritual and secular variations practised today along with issues and conflicts arising from the collision of religion politics and tourism The volume considers the impact of tourism and tourist numbers on religious features communities and phenomena including the deliberate involvement of some religious agencies in tourism It also addresses the ways in which religious beliefs and philosophies affect the behaviour and perceptions of tourists as well as hosts The book illustrates how different faiths interact with tourism and the issues of catering for religious tourists of the major faiths as well as managing the interaction between increasing numbers of secular tourists and pilgrims at religious sites **National Guide to Funding in Health** ,1995 **Snow's Pathfinder Railway Guide** ,1882 **Guide to Funding for International and Foreign Programs** ,1994 *The Official Guide of the Railways and Steam Navigation Lines of the United States, Puerto Rico, Canada, Mexico and Cuba* William Frederick Allen,Edwin Stevens Allen,Andrew J. Burns,1957-07 Also time tables of railroads in Central America Air line schedules **Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba** ,1952 **The Routledge Handbook of Second Home Tourism and Mobilities** C. Michael Hall,Dieter Müller,2018-04-17 Second homes have become an increasingly important component of both tourism and housing studies They can directly and indirectly contribute a significant number of domestic and international visitors to destinations and may be part of longer term retirement lifestyle and amenity migration that can have significant economic and social effects on communities and destination development This volume offers an overview of different disciplinary and methodological approaches to second homes while simultaneously providing a broad geographical reach Divided into four parts exploring governance development community and mobile second homes the book provides a contemporary account of the major issues in an area of growing international interest This timely handbook covers a wide range of dimensions from planning to the role of second homes in development and the management of their impact The international and cross disciplinary nature of the contributions will be of interest to numerous academic fields in the social sciences as well as urban and regional planners **National Guide to Funding in Arts and Culture** ,2000 **Travellers' Official Railway Guide** William Frederick Allen,Edwin Stevens Allen,Andrew J. Burns,1954 **Sports Law in Ireland** Laura Donnellan,Susan Leahy,2017-02-24 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of sports law in Ireland deals with the regulation of sports activity by both public authorities and private sports organizations The growing internationalization of sports inevitably increases the weight of global regulation yet each country maintains its own distinct regime of sports law and its

own national and local sports organizations Sports law at a national or organizational level thus gains a growing relevance in comparative law The book describes and discusses both state created rules and autonomous self regulation regarding the variety of economic social commercial cultural and political aspects of sports activities Self regulation manifests itself in the form of by laws and encompasses organizational provisions disciplinary rules and rules of play However the trend towards more professionalism in sports and the growing economic social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities This form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport It is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured This monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policymakers access to sports law at this specific level Lawyers representing parties with interests in Ireland will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law    **The Official Railway Guide ,1884**    Educators Guide to Free Films ,1956    Bradshaw's monthly railway and steam navigation guide George Bradshaw,1906    **Real Estate Record and Builders' Guide ,1886**
