

## ***Regional Public Transportation***

### **Business Plan: US 278 Bus System**

Bus Service along US 278 (with strategic collector/feeder routes) is feasible at this time because:

- More/larger housing subdivisions add to congestion; increased densities make public transit more feasible.
- Changing population—older, different ethnic mix, newcomers from cities with transit—creates opportunities.
- Increased number of “choice” riders that have transportation options (including visitors).
- Increased number of young people that need transportation after school and during the summer.
- Increased number/size of commercial and medical centers provide transit hubs.

#### **1.1 Objectives—Phase 1, First Year (see map on following page)**

- 1.1.1 To initiate regularly scheduled mainline bus service along US 278, from Coastal Carolina Medical Center (CCMC) in Jasper County to Coligny Circle on Hilton Head Island during the first half of 2008. This will be in two segments:
  - Coligny Circle on Hilton Head Island to Tanger Outlet Mall on mainland (contracted out but operated as part of the PALMETTO BREEZE system)
  - Tanger Outlet Mall to CCMC (directly operated by PALMETTO BREEZE).
- 1.1.2 To connect that service, through scheduling, with existing private services on Hilton Head at Sea Pines Plantation, Palmetto Dunes, Disney Resort and others.
- 1.1.3 To initiate PALMETTO BREEZE loop connector service to Bluffton “Old Town,” and along Buckwalter Parkway/Simmons Road to serve residential, commercial, religious and medical developments there and through Sun City to Wal-Mart.
- 1.1.4 To establish at least two park-and-ride lots on US 278—one near I95 and the other near SC 170 so that potential riders from throughout the Lowcountry Region will have access to the new services. During the early phases these lots are likely to be on a shared/borrowed basis with existing organizations such as Coastal Carolina Medical Center and Palmetto Electric Co-op.
- 1.1.5 To market all services, as a system, effectively to a number of targeted market segments.
- 1.1.6 To obtain public (federal, state, county, municipal) and private partner funding so that service can be offered free of charge.
