Alexandrov,2019-10-03 Cursed princess and royal guard trying to save his future queen Old inexperienced magician comes to the rescue with a little pink twist The Pig Magician is first of many fairy tales passed down from generation to generation in the land called Axdoria *The Public School Journal* ,1893 *School and Home Education* ,1893 Tales of a Grandfather Walter Scott,1875 **Mighty King, Brave Knight** Ed Potoczak,2008-07 When you were a little boy did you ever daydream about being Sir Lancelot riding about on your mighty steed slaying dragons and rescuing fair damsels How about being the hero to hit the bases loaded homerun in the bottom of the ninth win the game and be carried off the field by your teammates It feels good to be admired by other men and respected by women doesn't it There are some men who are daring real life heroes serving in our armed forces public safety agencies and in outreach ministries around the world Yet many of us seek to capture this sense of conquest and adventure through vicarious activities as devoted fans for our sports teams battling virtual monsters in the latest video game or posturing in nightclubs to impress the ladies Others plunge headlong into their careers in pursuit of power and define themselves by the titles they hold If this is taken to extremes we can become just one dimensional shadows of manhood We risk being only warrior conqueror OR romantic hero and fall short of our full potential as men In MIGHTY KING Brave Knight I share my discovery of authentic knighthood through a tale of a great quest interwoven with examples of contemporary challenges we all face and nuggets of practical truth Like many men I thought being a solo warrior was the only way to succeed in life Join me as I open doors to profound wisdom that is available just for the asking Together we'll discover the certainty fulfillment and strength to empower you to become a brave knight in the court of the Mightiest King The book is relatively short to accommodate the attention span of the majority of men and is based on an engaging allegory of an invitation made to a group of regular men by King Alpha and his firstborn son Prince Goodison to join a quest to share good news with all of the citizens of the kingdom The message is that the royal family reigns supreme and that the evil Sheriff who is attacking unsuspecting subjects was once a trusted noble that rebelled has been defeated and banished from the capital city The men are trained and armed to be knights of the king's court by Prince Goodison who leads the protagonist and his comrades into the kingdom to face the unknown together The protagonist is encouraged protected and rescued by Prince Goodison who keeps his promise to always be available to respond when any of the men loyal to him are in danger Present day vignettes draw parallels from the fictional characters' challenges to life in our culture to help the reader recognize the underlying gospel truths represented in the story As the chapters progress the secret source of wisdom being discovered is the Bible which reveals the unchanging holy character of almighty God the Father Son and Spirit This becomes the foundation of Christian invitation exhortation and encouragement for the reader
