## Ring Doorbell Amazon Vs:

*How to Resist Amazon and Why* Danny Caine,2022-09-20 When a company's workers are literally dying on the job when their business model relies on preying on local businesses and even their own vendors when their CEO is the richest person in the world while their workers make low wages with impossible quotas wouldn't you want to resist Danny Caine owner of Raven Book Store in Lawrence Kansas has been an outspoken critic of the seemingly unstoppable Goliath of the bookselling world Amazon In this book he lays out the case for shifting our personal money and civic investment away from global corporate behemoths and to small local independent businesses Well researched and lively his tale covers the history of big box stores the big political drama of delivery and the perils of warehouse work He shows how Amazon's ruthless discount strategies mean authors publishers and even Amazon themselves can lose money on every book sold And he spells out a clear path to resistance in a world where consumers are struggling to get by In depth research is interspersed with charming personal anecdotes from bookstore life making this a readable fascinating essential book for the 2020s

*The Security of Self* Emily B. Laidlaw,Florian Martin-Bariteau,2025-11-25 Cybersecurity is a powerful concept often examined through the lens of national security and organizational risks It however demands a deeper understanding to empower our societies and ourselves to thrive in the digital context This edited collection explores a new approach to human centric cybersecurity the security of self It invites a paradigm shift where cybersecurity's core purpose is to protect people and society from harm and where empowering individual and collective rights defines what it means to provide a secure cyber environment With a distinct Canadian focus and case studies spanning the Internet of Things artificial intelligence virtual reality and social media this collection charts a path forward for cybersecurity grounded in law policy and practices that advance the security of self This collection serves as a valuable resource for researchers policymakers regulators and individuals seeking to understand and shape the future of human centric cybersecurity

*Amazon* Paul Smith,Alexander Monea,Maillim Santiago,2022-11-28 Amazon is everywhere In our mailboxes in delivery vans clogging our streets in an increasing portion of our air traffic in our grocery stores on our televisions in our smart home devices and in the infrastructure powering many of the websites we visit Amazon's tendrils touch the majority of online retail transactions in the United States and in many other countries As Amazon changes the face of capitalist business it is also changing global culture in multiple ways This book brings together some of the most important analyses of Amazon's pioneering business practices and how they intersect with and affect the components of everyday culture Its contributors examine the political economy of Amazon's platform making the argument that it operates as an unregulated monopoly that is disruptive to the global economy and that its infrastructure and logistical operations increasingly alienate its workers and wreak many other social harms Our contributors outline the practices of resistance that have been employed by organizers ranging from Amazon employees to artists to digital piecemeal laborers working on Amazon's Mechanical Turk platform They examine the broader cultural impact that Amazon has had looking at

things like Amazon Prime and the creation of unending consumption the absorption of Whole Foods and its brand of conscious capitalism and the impact of Amazon Studios and Prime Video on everyday film and television viewing practices This book examines the broader environmental impacts that Amazon is having on the world looking at the slow violence it incurs its underwhelming Climate Pledge and the regional impacts that its business practices have Lastly this book gathers together some important artistic responses to Amazon for the first time in an appendix that offers readers insight into other ways in which critics of the company are making their voices heard and attempting to move broader audiences into solidarity against Amazon

How They Get You Chris Kohler, 2025-11-11 In this sharp, funny and empowering guide, journalist Chris Kohler takes you through the rigged carnival of modern life where the games are broken, the prizes are fake and somehow you're paying 28 to park near the entrance. From loyalty schemes to late fees, gift cards to sneaky supermarkets, *How They Get You* pulls back the curtain on how the systems work and how to outsmart them. Written for anyone who has ever looked at their bank account and thought, "I swear I didn't buy anything," this is the ultimate handbook to understanding how the game is played and how you don't have to lose every single time. You'll laugh, you'll groan, and you'll probably cancel a few subscriptions. But most of all, you'll walk away with the clarity and confidence to make better choices about how to spend and save your hard-earned money.
