## World Series Vs Returns:

**Return of the King** Thomas Aiello,2025-12 Return of the King tells the story of Muhammad Ali's return to the ring in 1970 after a more than three year suspension for refusing his draft notice as a conscientious objector during the Vietnam War. With Ali's career still in doubt, he found new support in shifting public opinion about the war and in Atlanta, a city still governed by white supremacy but a white supremacy decidedly different from that of its neighbor cities in the Deep South. Atlanta had been courting and landing professional sports teams in football, basketball, and baseball since the end of 1968. An influential state politician, Leroy Johnson, Georgia's first Black state senator since Reconstruction, was determined to help Ali return after his exile. The state had no boxing commission to prevent Ali from fighting there, so Johnson made it his mission for Ali to make a comeback in Georgia. Ali's opponent would be Jerry Quarry, the top heavyweight contender and more important a white man who had spoken out against Ali's objection to the war. In *Return of the King*, Thomas Aiello examines the history of Muhammad Ali, Leroy Johnson, and the city of Atlanta while highlighting an important fight of Ali's that changed the trajectory of his career. Although the fight between Ali and Quarry lasted only three rounds, those nine minutes changed boxing forever and were crucial to both the growth of Atlanta and the rebirth of Ali's boxing career.

## When Baseball

**Returned to Brooklyn** Ed Shakespeare,2003-05-13 Major league baseball has a long, rich history in Brooklyn. From the time Brooklyn started play in 1884 until their move west to Los Angeles following the 1957 season, the Dodgers and their predecessors were the emotional center of the borough's diverse population. But Brooklyn would be without a professional team until June of 2001 when the Cyclones took the field in Coney Island as the Mets affiliate for the New York Penn League. This work follows the rookie level club from its formation through its first season. Brooklyn Dodgers Carl Erskine, Duke Snider, Clem Labine, Johnny Podres, Ralph Branca, Joe Pignatano, and Clyde King comment on their own minor league days and their days in Brooklyn. Also included are interviews of Cyclones players and fans of both teams.

**Wi** Bill Reed,2020-01-03 Surely you remember Wi, a name especially chosen to fit our attention spans. The world record kidnapper nabbee swipee snatchee hoisted so many times even he's lost count. How about those three times in five minutes effort? That takes rare raw talent that does. I mean, if it wasn't for our Wi, how many of these yappers yarns shaggy dogs and yank your chain whoppers could I trot out for you? Even getting across one's not easy when it's always against the wind from people laughing in your face. No, really, without our Wi, where would all the odd balls be drowning their sorrows by ingesting the food in Dominic's Eatery, swallowing whole mouthfuls without a thought for their own safety? Would any plate get the Wi wipe and come out miraculously unscathed from what had been just laid upon it? Without Wi, how many screwballs could have hired him to do all they've always wanted to do? God knows and the Talls say God knows because if you take it that God made him in His own image, then maybe you've stumbled across the one time God spoke too soon. Okay, setting that aside, coming to you is a cast of Lankan characters and you'd cast too and barf and burp if you had some of Dominic's food inside you. Let's not kid ourselves. Not all of

us have cast iron guts and can absorb what could canonize you if you kept it down And our Wi can t help being White either Did he ever ask for the hoists he s had to suffer or complained about the lack of duty of care his kidnappers have shown him their kidnappee after all No All he asked was a hideaway high above the stars so bright At least he got that And though having to watchfully wait at least he received the epiphs too With the epiphs he could epiphicatedly dream so I guess he had something going for him And let s not forget he s Talls recorded as having said Just let me know if I m breathing too much and I ll stop Hey what kidnappee or country like Australia gets a kidnappee so considerate Is he a peach of a pooch or what Bill Reed is an Australian novelist playwright and short story writer with national awards for all three He now lives in both Australia and Sri Lanka *Twayne's Rulers and Statesmen of the World Series*, 1968 **Electrical World**, 1896
