Michael Jackson Chris Cadman,Craig Halstead,2007 The aim of this book is to document the many songs Michael has been involved with over the years as singer as writer as producer or simply as the inspiration or subject The songs are listed numerically and alphabetically and each listing includes the artist release date and connection to Michael together with other interesting information **Introduction** Unmasked Ian Halperin,2009-07-14 In late December 2008 Ian Halperin told the world that Michael Jackson had only six months to live His investigations into Jackson's failing health made headlines around the globe Six months later the King of Pop was dead Whatever the final autopsy results reveal it was greed that killed Michael Jackson Friends and associates paint a tragic picture of the last years and days of his life as Jackson made desperate attempts to prepare for the planned concert series at London's O2 Arena in July 2009 These shows would have earned millions for the singer and his entourage but he could never have completed them not mentally and not physically Michael knew it and his advisors knew it Anyone who caught even a fleeting glimpse of the frail old man hiding beneath the costumes and cosmetics would have understood that the London tour was madness Why did it happen this way After an intense five year investigation New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years a suspenseful and surprising thriller Michael Jackson, the King of Pop Jel D. music business and its extreme excesses over the last forty years But more than anything else The Trials of Michael Jackson shows how the man who gave us Thriller the biggest selling record of all time was hunted down and all but destroyed by forces beyond even his control The death of one of the planet s greatest legends in June 2009 has generated unprecedented speculation rumour and controversy There are more questions than answers and the report by the Los Angeles coroner in August 2009 means that Jackson s death is now officially a homicide Is there a hidden agenda between Dr Conrad Murray his paymasters AEG Live and Sony Corporation Why was Propofol a powerful anaesthetic administered to Michael Jackson by Dr Murray What is Philip Anschutz s involvement in Jackson s death Was Michael Jackson worth more dead than alive These questions are only a few raised by Lynton Guest in this hard hitting Second Edition in his quest to seek the truth in The Trials of Michael Jackson

*Michael Jackson* Shawn Henning,2010-06

Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book he's collected love letters, reflections, eulogies, poems, essays, and drawings from people throughout the world who have a special appreciation for the King of Pop. Michael Jackson I was particularly impressed at the diversity of material from so many different countries and cultures – all of it heartfelt and illuminating. In "We Love You More" we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity, and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them but those who read them. People will learn about the experiences they have in common with people throughout the world who followed Michael's career, his music, his good deeds, and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book, from eulogies to memories to poems and beautiful drawings and paintings, and even photo montages. At the end, Mr. Henning, you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

**Remember the Time** Bill Whitfield, Javon Beard, Tanner Colby, 2014-06-02 Michael Jackson's former bodyguards reveal the amazing truths of the late superstar's last years, his life with his children, his financial crises, and the weeks leading up to his shocking death. Hounded by the tabloid media, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion, a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, making them the only two people who know what 60 million fans around the world still want to know: what really happened to the King of Pop? Driven by a desire to show who Michael Jackson truly was, Whitfield and Beard have produced the definitive account of Michael Jackson's last years, the extreme measures necessary to protect Jackson and his family, the simple moments of happiness in a time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback. This is an indispensable piece of pop culture history. "Remember the Time" is the story of a man struggling to live a normal life under extraordinary circumstances. It is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity.
