Against Race** Bo-Dean Sanders, 2020-12-12 Delves into the highs and lows of a talented young Black football athlete and first generation college student navigating identity and

race Dennis Kennedy founder and chairman of National Diversity Council Race Against Race is the story of one young man's dream of playing college football and the social development that unfolded as he tried to fit in on a predominantly white campus. He slowly integrates into his new environment by staying positive, being himself, and focusing on shared experiences with his teammates and classmates. Within this book, Bo Dean paints a picture of a student athlete's campus life in the 80s and aims to examine the issues of race through his participation in college sports. Throughout his time as a student athlete, he discovers that he and his teammates learn from each other on and off the field by having the race conversation to develop and grow their relationships based on the foundation of sports, mutual respect, and acceptance. Sanders tells a riveting story of pushing himself to reach the goal that he thought mattered most: becoming a collegiate and professional football player. It is a gripping tale of growing up under the weightiness of segregation and poverty in the South and leaving home to go north to start life on his terms. Allener M. Baker Rogers, EdD, coauthor of *They Carried Us*. He provides a unique perspective on building relationships with teammates and classmates from different socioeconomic backgrounds and races by reaching out, talking, and listening. In his first ever book, Sanders explores how diversity and inclusion in sports and multiculturalism impacted his personal relationships in college. *Delco Times*, Stanford, 2006. **Passion & Desire** Tereka Gibson, 2020-12-18. Jazara is a beautiful heterosexual lawyer who is having problems with her fiancé, Demarco. She never imagined that her love for him would quickly be questioned once she came face to face with Triston. Triston began to show Jazara a new way of living, and now her life was turned upside down. Let's just say that she was intrigued by what was being offered, and she was seeing herself differently while enjoying the way she felt. She was actually enjoying it a little too much because the lifestyle was starting to pull her in different directions that could lead to new problems. Just how will Jazara play her new relationship cards? Can she handle this new lifestyle, or will other feelings cause her to question her choices? Can Triston show her enough to win her over, or does Demarco win in the end? Just how INTRIGUED is she with this new lifestyle? **Mister Abbott** George Abbott, 1963.
