Photographer Phyllis Galembo approaches her subjects with the delight and wonder of one who has discovered an entire cast of characters backstage in an abandoned theater. Through her lens the costumes rise from the dead to once again dance, play and amuse. In her celebration of Halloween revelry Galembo never settles for the ordinary instead she creates evocative scenes of dressed to scare young trick or treaters modeling their disguises and of undead spirits haunting their surroundings. The costumes which span over a century take on magical qualities through fanciful sets and specialized lighting effects. Accompanying the costumes is a history of this always popular holiday and essays discussing Galembo's inspirations and techniques.
