Lyft Latest On Sale:

Strategic Risk Management Paul C. Godfrey, Emanuel Lauria,, John Bugalla, Kristina Narvaez, 2020-01-21 This book presents a new approach to risk management that enables executives to think systematically and strategically about future risks and deal proactively with threats to their competitive advantages in an ever more volatile uncertain complex and ambiguous world Organizations typically manage risks through traditional tools such as insurance and risk mitigation some employ enterprise risk management which looks at risk holistically throughout the organization But these tools tend to focus organizational attention on past actions and compliance Executives need to tackle risk head on as an integral part of their strategic planning process not by looking in the rearview mirror Strategic Risk Management SRM is a forward looking approach that helps teams anticipate events or exposures that fundamentally threaten or enhance a firm s position The authors experts in both business strategy and risk management define strategic risks and show how they differ from operational risks They offer a road map that describes architectural elements of SRM knowledge principles structures and tools to show how leaders can integrate them to effectively design and implement a future facing SRM program SRM gives organizations a competitive advantage over those stuck in outdated risk management practices For the first time it enables them to look squarely out the front windshield

Catalogues of Sales Sotheby & Co. (London, England), 1956 **The Four** Scott Galloway, 2017-10-05 A fantastic provocative book about where we are now and where we are going Phil Simon Huffington Post Amazon Apple Facebook and Google are the four most influential companies on the planet Just about everyone thinks they know how they got there Just about everyone is wrong For all that s been written about the Four over the last two decades no one has captured their power and staggering success as insightfully as Scott Galloway Instead of buying the myths these companies broadcast Galloway asks fundamental questions How did the Four infiltrate our lives so completely that they re almost impossible to avoid or boycott Why does the stock market forgive them for sins that would destroy other firms And as they race to become the world s first trillion dollar company can anyone challenge them In the same irreverent style that has made him one of the world s most celebrated business professors Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves at a speed and scope others can t match And he reveals how you can apply the lessons of their ascent to your own business or career Whether you want to compete with them do business with them or simply live in the world they dominate you need to understand the Four
