Warrior Dog (Young Readers Edition) Joe Layden,Will

Chesney,2020-06-30 Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011. After the mission, only one name was made public: Cairo, a Belgian Malinois and military working dog. Warrior Dog is the story of Cairo and his handler Will Chesney, a member of SEAL Team Six whose life would be irrevocably tied to Cairo's specially adapted for young readers from Chesney and Joe Layden's No Ordinary Dog. Starting in 2008 when Will was introduced to the canine program, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond went beyond their military service. As Cairo aged and went on fewer missions, Will moved on to other assignments, forced to slowly and painfully distance himself from the dog. Then in 2011, the call came: Pick up your dog and get back to Virginia. Now Cairo and Will trained for weeks for a secret mission, but it soon became clear that this was no ordinary operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the successful elimination of bin Laden. As Cairo settled into a role as a reliable spare dog, Will went back to his job until a grenade blast in 2013 left him severely injured. Unable to participate in further missions, he tried to recover, but medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more, and then up to Will to be there when Cairo needed him the most. **Senior Chief Turbo** R.C. Cook,2013-12 Senior Chief Turbo Memoir of a Navy SEAL K-9 recounts the life of a military working dog named Turbo from his birth in Holland and participation in Dutch police dog KNPV trials to training with a Navy SEAL dog handler and joining him for two combat deployments to Afghanistan. Written from a dog's unique perspective and based on actual first-hand accounts of a SEAL handler dog team, Senior Chief Turbo illustrates the bonds of loyalty and friendship that drive all warriors. No Ordinary Dog Will Chesney,Joe Layden,2020-04-21 THE INSTANT NATIONAL BESTSELLER No Ordinary Dog is the powerful true story of a SEAL Team Operator and military dog handler and the dog that saved his life. Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011. After the mission, only one name was made public: Cairo, a Belgian Malinois and military working dog. This is Cairo's story and that of his handler Will Chesney, a SEAL Team Operator whose life would be irrevocably tied to Cairo's. Starting in 2008 when Will was introduced to the SEAL canine program, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond transcended their service. Then in 2011, the call came: Pick up your dog and get back to Virginia. Now what followed were several weeks of training for a secret mission. It soon became clear that this was no ordinary operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the successful elimination of bin Laden. As Cairo settled into a role as a reliable spare dog, Will went back to his job as a DEVGRU operator until a grenade blast in 2013 left him with a brain injury and PTSD. Unable to participate in further missions, he suffered from crippling migraines, chronic pain, memory issues, and depression. Modern medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more, and then up to Will to be there when Cairo needed him the most. **Soldier Dogs** Maria

Goodavage,2012-03-15 A leading reporter offers a tour of military working dogs extraordinary training heroic accomplishments and the lasting impacts they have on those who work with them People all over the world have been riveted by the story of Cairo the Belgian Malinois who was a part of the Navy SEAL team that led the raid on Osama bin Laden s compound A dog s natural intelligence physical abilities and pure loyalty contribute more to our military efforts than ever before You don t have to be a dog lover to be fascinated by the idea that a dog the cousin of that furry guy begging for scraps under your table could be one of the heroes who helped execute the most vital and high tech military mission of the new millennium Now Maria Goodavage editor and featured writer for one of the world s most widely read dog blogs tells heartwarming stories of modern soldier dogs and the amazing bonds that develop between them and their handlers Beyond tales of training operations retirement and adoption into the families of fallen soldiers Goodavage talks to leading dog cognition experts about why dogs like nothing more than to be on a mission with a handler they trust no matter how deadly the IEDs they are sniffing nor how far they must parachute or rappel from aircraft into enemy territory Military working dogs live for love and praise from their handlers says Ron Aiello president of the United States War Dogs Association and a former marine scout dog handler The work is all a big game and then they get that pet that praise They would do anything for their handler This is an unprecedented window into the world of these adventurous loving warriors **War Dogs** Michael G.

Lemish,1996-01 There are hundreds of books about human war heroes pilots sailors infantrymen War Dogs is the first comprehensive book about canine heroes Michael Lemish has collected astonishing true stories and scores of rare compelling photographs showing the contributions that dogs have made to America s defense since World War I They illustrate well the strong bonds between dogs and their masters who have worked together to save thousands of lives during wartime Collectively known as the K9 corps military working dogs have led patrols sniffed out poison gas and booby traps defended base perimeters pulled sleds led rescue teams to the wounded located caves and bunkers used by enemy soldiers and even parachuted into combat Meet Stubby the legendary Hero Dog of the World War I trenches Find out why thousands of families donated their dogs during World War II and why the Viet Cong placed a bounty upon war dogs and their handlers during the Vietnam War Learn about the plan during the 1950s to have dogs carry tactical nuclear weapons Read about York the scout dog who led Americans on 148 patrols during the Korean War without a single casualty War Dogs is about the many different breeds terriers beagles German shepherds collies Labradors huskies Dobermans and others that have been thrust into dangerous situations in the nation s service Anyone who has ever loved a dog will love this revealing anecdotal history a salute to America s unsung four legged heroes BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Dogs of War* Lisa Rogak,2011-10-25 The most comprehensive book I have ever read on military dogs it exemplifies the indomitable spirit of the dog ever selfless loyal to a fault Steve Duno author of Last Dog on the Hill An incredible story of the largely unseen but vital role that dogs play in our armed forces Lisa Rogak s The Dogs of

War is a must read for animal lovers everywhere Military working dogs gained widespread attention after Cairo participated in the SEAL Team 6 mission that led to Osama bin Laden s death Before that few civilians realized that dogs served in combat let alone that they could parachute from thirty thousand feet up The Dogs of War reveals the amazing range of military jobs that our four legged soldiers now perform examines the dogs training and equipment and sets the record straight on those rumors of titanium teeth You ll find heartwarming stories of the deep bond that dogs and their handlers share with each other and learn how soldiers and civilians can help the cause by fostering puppies or adopting retirees

War Dogs Michael Lemish,1998-12-01 Dog stories for the war buff Best we can say and it is not a trivial compliment is that few books cover the subject On guard and scout dogs from WWI through Viet Nam CiP shows an erroneous ISBN 031 4 Annotation copyright by Book News Inc Portland OR Dogs of Courage Clare Campbell,Christy Campbell,2015-09-24 In Bonzo s War Clare Campbell told the fascinating story of what it was like for Britain s pets when the world was at war This time she follows the incredible journey of the dogs who conscripted to fight for their country with some even returning with medals for their bravery During the most dangerous days of the Second World War the British government set out to recruit an army of canines a Guard Dog Unit This experimental team of brave hounds would later use their incredible sense of smell to sniff out the anti personnel mines that barred the way to reclaiming Europe Dog owners countryside shed tears as they bid farewell to their beloved Brian Rex or Molly and packed them off to the War Dogs Training School to learn the skills they d need to do their bit for Britain on the very frontiers of the Third Reich The soldiers waiting out in the field to greet their canine counterparts were under strict instructions do not get too attached to your new four legged companion That bit proved disastrously impossible Based on original documents first hand accounts and interviews *Dogs of Courage* tells a story of human determination heartbreak and uncompromising canine courage that has never been told before **Franklin** Matthew Duffy,2017-10-20 In June of 1991 not yet twenty years old Jeffrey Scott Franklin received his first tutorial on aggressive working dogs from me Thirteen years later one late summer evening in 2004 Jeff was instructing a class of police K 9 officers on nighttime strategies when a covert aircraft landed in a field just meters away from the training ground As Jeff and the bewildered class looked on the occupants of the stealthy craft unloaded in synchronized precision and made a bee line for the young instructor In the dark it was difficult to make out details of those who approached but being a Marine himself Jeff could tell by their uniforms that they were U S Military officers Jeff couldn t have imagined that those particular officers flew all the way from Virginia to Tennessee farm country in the middle of the night just to recruit him However they were determined to have that specific young man build the first of its kind dog program for a top tier Task Force within the preeminent branch of the United States Military Jeff s dog training skills are put to the test as he single handedly turns men and dogs into the world s foremost K 9 combat teams With no template to guide him Jeff creates the canine selection criteria and the necessary training protocol to meet the high octane demands of the covert Task Force Through Jeff s story you will

follow operators and their canine warriors on fiercely dangerous secretive maneuvers deep inside Middle Eastern battlegrounds On one pre dawn mission a commando and his feisty Malinois who were in hot pursuit of the enemy charge headlong into the labyrinth of irrigation tunnels known as the Karez These endless miles of dark and narrow passageways have been used as a stronghold by the Taliban and Afghani Resistance for centuries While searching the globe for potential canine commandos Jeff forges a close relationship with an accomplished working dog tycoon in Europe This exceptional businessman fuels Jeff s competitive nature to focus on becoming one of the most influential canine trainers in the world Adopting this larger than life ambition Jeff finds himself in the hostile jungles of South America furnishing trained dogs to a national police force in the war against a powerful South American terrorist organization Three days into his first supply trip Jeff is caught in a high speed vehicle chase down a treacherous mountain pass Feeling his armed pursuers closing in Jeff is forced to bail out of his Toyota pick up and take out through the Columbian jungle on foot with Mingo his Ecuadorian bodyguard By the autumn of 2012 twenty one years from our first meeting Jeff reached a pinnacle in professional dog training He was charged by the United States government with the responsibility of overseeing the selection and instruction of all the elite canines assigned to competing Special Tactics Groups stationed on opposite sides of the country He is the only man ever to have held such a position and I am honored to narrate this true tale about my friend Jeffrey Scott Franklin

Military Dogs Sara Green,2009-01-01 There is no bond quite like the one between a soldier and a military dog These highly trained canines scout stand guard and defend their handlers in war zones They even accompany their soldiers as they jump from airplanes Meet the four legged heroes of war in this informative title for curious readers
