**Sports** Jimmy Sanderson,2023-08-24 Scandals about cheating and corruption have dogged amateur and professional sports in the United States since the nation's earliest days. This work examines the most infamous and consequential of these controversies and scandals both on and off the field. Authoritative Individual essays tackle notorious events in popular American sports ranging from the 1919 Black Sox scandal to revelations of sign stealing by the Houston Astros throughout their 2020 championship season with stops in between to survey horrific sex abuse scandals at Penn State Baylor and Michigan State steroid and drug scandals that brought down once admired athletes like Mark McGwire and Lance Armstrong and cheating betting controversies that tainted individual players Pete Rose teams Boston College New England Patriots and entire leagues including the Little League World Series in 2001. But this work does more than just recount these events it will
