Consumer Health & Integrative Medicine: A Holistic View of Complementary and Alternative Medicine Practices Linda Baily Synovitz,Karl L. Larson,2018-10-01 Today being a health consumer encompasses more than being knowledgeable about traditional medicine and health practice but also includes the necessity to be well informed about the expading field of complementary and alternative medicine Consumer Health and Integrative Medicine Holistic View of Complementary and Alternative Medicine

Practices Second Edition was written to expand upon the many alternative modalities that many other consumer health texts overlook. It includes chapters on the major alternative medicine systems and healing modalities including Ayurvedic medicine, traditional Chinese medicine, naturopathy, homeopathic medicine, chiropractic medicine, massage, reflexology, and herbals or botanicals. The authors' mission is to increase reader's knowledge base, not make up their mind as we all make better choices related to our own personal health care practices when we are informed consumers.

Case Study and Answers Analysis for Foundation of Chinese Medicine Dongcheng Li, 2018. This book is intended to aid the student studying case study for the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM) in Foundation of Chinese Medicine Licensing Examination. It is highly recommended to be used to combine with my other two books which are Review and Pretest for NCCAOM and California Exams in TCM Foundation and Handouts for NCCAOM Board Preparation Course in Foundation Module I. I have been teaching NCCAOM Board Review class since 2009 in Acupuncture college in the United States. This book is the result of my teaching materials and experience. It includes most common types of the case study in Chinese Medicine and is intended to help the student prepare for a general class exam and Board licensing exam. The material is organized and divided into three parts. The first part covers general introduction regarding how to use three steps methods and tips to solve case study questions. The second part covers case study practice questions by types. The last part includes four comprehensive case study exams. All these questions can be used as a pretest to identify areas of weakness or as a post test to determine mastery. The practice tests can reflect the content and format of Chinese medicine class test and Board licensing examination.
